

Franklin County Automatic Data Processing Board

Michael Stinziano, Secretary/Chief Administrator

Cheryl Brooks Sullivan ♦ Chris Brown ♦ Daniel J. O'Connor, Jr
John O'Grady ♦ Maryellen O'Shaughnessy ♦ Antone White ♦ David R. Payne

To: The Honorable Michael Stinziano, Secretary/Administrator
Franklin County Data Processing Board

From: Adam Frumkin, Chief Information Officer
Franklin County Data Center

Date: January 04, 2024

Subject: Agenda for the Monday, January 08, 2024, Data Processing Board Meeting

The proposed agenda for the Monday, January 08, 2024, Franklin County Automatic Data Processing Board meeting is attached for your review. The meeting will be held in the Olympus Room (FCDC Auditorium) on the 9th floor of the Franklin County Courthouse, 373 S. High Street, Columbus, Ohio 43215.

The Board will reconvene in a Regular Session at 9:00 A.M.

AN AGENDA WILL BE PROVIDED TO YOU AT THE MEETING.

Cc: The Honorable Cheryl Brooks Sullivan, Member, Franklin County Treasurer
The Honorable Chris Brown, Member, Franklin County Court of Common Pleas
The Honorable Daniel J. O'Connor Jr., Member, Franklin County Recorder
The Honorable John O'Grady, Member, Franklin County Board of Commissioners
The Honorable Maryellen O'Shaughnessy, Member, Franklin County Clerk of Courts
The Honorable Antone White, Member, Franklin County Board of Elections
Mr. David R. Payne, Member, Franklin County Board of Elections

Jo Ellen Cline, Delegate, Franklin County Auditor
Gary Dwyer, Delegate, Franklin County Auditor
Shawn Dunlavy, Delegate, Franklin County Auditor
Susan Bedsole, Delegate, Franklin County Common Pleas Court
Andrew Byerly, Delegate, Franklin County Common Pleas Court
Adam Luckhaupt, Delegate, Franklin County Clerk of Courts
Sharlene Chance, Delegate, Franklin County Clerk of Courts
Angela Mathews, Delegate, Franklin County Clerk of Courts
Zak Talarek, Delegate, Franklin County Board of Commissioners
Juan Torres, Delegate, Franklin County Board of Commissioners
C. Chris Cupples, Delegate, Franklin County Recorder
Robert Hinton, Delegate, Franklin County Recorder
Dusten Kohlhorst, Delegate, Franklin County Treasurer
Lilly Tesfai, Delegate, Franklin County Treasurer
Orvell Johns, Delegate, Franklin County Treasurer
Victoria Troy, Delegate, Franklin County Treasurer
Steven Bulen, Delegate, Franklin County Board of Elections
Erin M. Gibbons, Delegate, Franklin County Board of Elections
Jeff Gatwood, Delegate, Franklin County Board of Elections

AGENDA-Automatic Data Processing Board Meeting, January 08, 2024

9:00 A.M. Convene in Regular Session

- **Call to Order**
- **Pledge of Allegiance**
- **Secretary's Comments**
- **Approve or amend the Minutes of December 04, 2023, Regular Data Board Meeting**
- **New Business**

— **Resolution No. 24-001 Franklin County Technical Equipment Salvage**

— **Resolution No. 24-002 Franklin County Public Defender's Office – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-003 Franklin County Auditor's Office – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-004 Alcohol Drug and Mental Health of Franklin County – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-005 Franklin County Emergency Management and Homeland Security – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-006 Franklin County Office on Aging – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-007 Franklin County Veterans Service Commission – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-008 Franklin County Treasurer's Office – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-009 Franklin County Recorder's Office – 2024 Baseline Procurement and Annual Renewal**

— **Resolution No. 24-010 Franklin County Sheriff's Office – Mobile Biometric Check Application**

Motion to Hold an Executive Session for the purpose of discussing Personnel Matters

As authorized by O. R. C. Section 121.22, Division (G)(1)

- **Second, the Motion to Hold an Executive Session**
Roll call vote (requires a majority of the quorum)
- **Move to Executive Session**

- **Executive Session**

- Resolution No. 24-011 Personnel Action – Backfill – Enterprise Network Engineer 2
- Resolution No. 24-012 Personnel Action – Backfill – People Operations Manager
- Resolution No. 24-013 Personnel Action – Backfill – Enterprise Project Manager 2
- Resolution No. 24-014 Personnel Action – Backfill – Enterprise Project Manager 3
- Resolution No. 24-015 Personnel Action – Backfill – Enterprise Vendor Risk Analyst 2
- Resolution No. 24-016 Personnel Action – All-Staff Base Salary Increase

- **Motion to Adjourn the Executive Session**

Roll call vote (requires a majority of the quorum)

Reconvene in Special Session

- **Resolution No. 24-011 Personnel Action – Backfill – Enterprise Network Engineer 2**
- **Resolution No. 24-012 Personnel Action – Backfill – People Operations Manager**
- **Resolution No. 24-013 Personnel Action – Backfill – Enterprise Project Manager 2**
- **Resolution No. 24-014 Personnel Action – Backfill – Enterprise Project Manager 3**
- **Resolution No. 24-015 Personnel Action – Backfill – Enterprise Vendor Risk Analyst 2**
- **Resolution No. 24-016 Personnel Action – All-Staff Base Salary Increase**

Other Business

Adjourn

FRANKLIN COUNTY AUTOMATIC DATA PROCESSING BOARD

Minutes of the December 04, 2023, Regular Board Meeting

Date Approved: January 08, 2024

Michael Stinziano, Secretary, Administrator
Franklin County Auditor

Abstained - CB

Morning Session

December 4, 2023

- - -

CALL TO ORDER

- - -

SECRETARY STINZIANO: Good morning.

Welcome to the December 4th, 2023 Automatic Data Processing Board meeting. I will now be calling it to order.

Please join me in the Pledge of Allegiance.

(Pledge of Allegiance.)

SECRETARY STINZIANO: Good morning.

Appreciate everyone being in attendance. And as always, appreciate the work of the wonderful members of the Data Center to make sure the meeting is prepared. Thank you all.

Without further ado, we will move to Secretary comments, full agenda.

An so, Mr. Frumkin, we will let you begin.

- - -

SECRETARY COMMENTS

- - -

1 MR. FRUMKIN: Good morning. And
2 welcome to all of you and Delegates as well. I
3 hope you all enjoyed our weekend, the good weather
4 we did have.

5 I know this is a little early, but I
6 want to take a moment to wish everyone here and all
7 of you Happy Holidays, Merry Christmas, Happy
8 Hanukkah, and Happy Kwanzaa. I hope this holiday
9 season is healthy for all of you.

10 I also want to personally invite all
11 of you to the Data Center's Fifth Annual Employee
12 Appreciation Holiday Breakfast on Thursday,
13 December 21st at 10:00 a.m. I and the leadership
14 team will be making pancakes. We also have
15 sausage, bacon, breakfast pastries, juice, et
16 cetera. So let me know, and if you wish to attend,
17 I will make sure you get an invite.

18 So from a project perspective, we
19 currently have 42 projects in the portfolio. We
20 are actively working on 20 of those projects. And
21 we have not closed any this month -- or this past
22 month, excuse me.

23 We are planning efforts for 2024 for
24 the Windows 11 upgrade, as Windows 10 reaches

1 end-of-life in 2025. We will work with partners
2 throughout the course of the next calendar year to
3 ensure all devices are replaced and/or upgraded.
4 The Data Center will provide information about new
5 features and functionality available in the new
6 operating system.

7 The Delivery Services team will be
8 providing a project dashboard that will include all
9 2023 project accomplishments, as previously
10 reported, but will also show projects currently in
11 flight for 2024, requested projects coming into
12 2024 that have been budgeted, approved, status, and
13 anticipated priority. Results will be shared at
14 the January Tech Roundtable, and we will make sure
15 all of you have copies of that as well.

16 Quick update: The UM Automation
17 project has been launched. The infrastructure has
18 been completed and we are working on integration in
19 Microsoft 365. At the same time, the application
20 configuration has begun with the Identity
21 Management team performing that build. Next step
22 will be to engage a couple of agencies who have
23 completed the Role Based Access Control process for
24 testing and feedback.

1 The RBAC, which is Role Based Access
2 Control, initiative has completed 10 agencies, nine
3 more are being reviewed by agencies for approval,
4 and the data is being pulled for three more who
5 have utilized and developed proposed roles, leaving
6 only 14 agencies with varying levels of complexity.
7 This initiative will streamline new user requests
8 and provide security around excessive permissions.

9 The vendor engagement for the
10 Security Incident Event Management solution, or
11 SIEMs, was successful and has resulted in the
12 automation of the alarm creation and closures in
13 some cases. This really reduces the system's noise
14 and enables the security team to operate even more
15 efficiently and effectively.

16 With security being an ever-changing
17 career field, employee development and training is
18 a critical part of the equation for protecting our
19 county as a whole. I'm very happy to say two team
20 members acquired two security certifications this
21 month.

22 Metrics for this month, for the
23 month of November:

24 The Security Awareness Training

1 completion rate was 74.26 percent, which is up from
2 the previous month.

3 Microsoft is the first line of
4 e-mail defense. November was less active, with
5 17,483 phishing attempts blocked and 130 malware
6 attempts blocked. That's a total of 17,613
7 bad-actor attempts that were prevented before any
8 of you ever saw them.

9 The secondary, more sophisticated
10 solution, blocked an additional 562 attempts. Of
11 those, credential theft is still the top attempt,
12 representing 71 percent of those attempts.

13 Patching in November was a little
14 different due to the Thanksgiving holiday and power
15 work that was happening in the building. 3,246
16 endpoints were patched successfully with an average
17 completion time of 12.9 days. And production
18 servers were patched with a revised schedule for
19 November. November had four new requests that
20 required vendor assessments. The vulnerability
21 management program continues to move forward. In
22 November, there were 985 critical or high
23 vulnerabilities remediated across 208 endpoints.
24 This is the first month of direct focus on

1 endpoints at one agency. And that focus revealed
2 that the bulk of those vulnerabilities are related
3 to third-party applications. Efforts will continue
4 for endpoints the coming months.

5 And on the server side, this month
6 was utilized to gather information and work with
7 agencies in preparation for the December
8 remediation. There are approximately 20 servers
9 queued up for remediation this month.

10 With that, I will pass it over to
11 Nikki for our security update, and a high-level of
12 the RSM assessment and our Data Pillar.

13 Before I let her go, congratulations
14 to the crew. So I had to add that.

15 MS. MILBURN: Thank you.

16 As Adam had mentioned, the RSM
17 assessment was completed. They came in and they
18 did assess where we were at relative to the Zero
19 Trust Pillars. So the five different areas we've
20 been talking about, and the strategy that's built
21 out over the next three years for the security
22 team. It is in line. That is kind of the
23 fantastic news. Is our strategy aligned with where
24 they said we should be going, and what would the

1 next steps be. So that is extremely exciting to
2 have that. We will get that out to you. We will
3 be presenting to my team and Adam next week, and
4 then probably facilitate that out a little more
5 after that to see the exact results. So that is
6 exciting news. We are going down the right path
7 with benchmarks with fellow counties, that would be
8 kind of the maturity model, where they are at as
9 well. So I'm looking forward to it. It does make
10 me feel good about where our policy or where our
11 strategy is going, and appreciate the support that
12 has been provided to the security team over the
13 last few years to get us where we are, and what it
14 will take to get us to the next place. I'm
15 extremely excited, and appreciate that.

16 The data pillar, in and of itself,
17 kind of going back to that zero trust strategy, we
18 talked about devices, endpoints and servers. We
19 also talked about identity, which is a massive,
20 massive space within the security field. And then
21 data, there's actually five different components,
22 it's not just looking at data loss prevention. So
23 there's a breach, there's data leaking out.
24 There's more to it than that. It's what are we

1 looking at, do we know what kind of data we have
2 and where does it live. I think high level, we do.
3 We start looking at the core infrastructure.
4 Endpoints, we need to have a little more rigor
5 around them. What is stored on endpoints, and why
6 is it there. Can we do a better job of storing
7 that more internally, making it accessible. Are we
8 actually looking at those access rights, who can
9 modify it, who can save it, who can download it.
10 So there is a lot of work to gear up for the data
11 side over the next couple years. We are going to
12 start kind of that data in motion, where is it
13 going, looking at those external entities, where we
14 are sharing information, should we, and is there a
15 better way to do it. So that is one piece of it we
16 are going to start tackling.

17 The other side of that is what data
18 lives on endpoints. So being able to see and know
19 in the event a laptop is lost, what did we lose.
20 Don't necessarily know right now, but this will
21 enable us to know what is our risk level of a
22 laptop missing from one agency versus another
23 agency. What controls do I need to put in place.
24 What notifications do we need to make. To be able

1 to have that visibility and understand the risk of
2 our data is absolutely huge. That is kind of our
3 next endeavor that we are going down. You will see
4 us moving in a lot of different directions in the
5 coming year. We'll be tackling things at all five
6 pillars. Data, with the addition of Matt Dill at
7 the last Data Board. He has really been able to
8 start diving into what Microsoft is capable of.
9 And we'll be taking that and start looking at
10 endpoints. So that's kind of the data pillar that
11 we have.

12 Other little thing, I know I didn't
13 mention it. It is the holiday season. Please be
14 aware of phishing, vishing, any form where someone
15 is trying to get into our data and try to get you
16 to go to a website. I know daily I get a whole
17 bunch of, hey, your package can't be delivered,
18 please click here and log in. It's really just
19 credential harvesting is what they're trying to do.
20 So please be aware when you get those e-mails, look
21 at where they are coming from, do all of the
22 typical things you would do to see if it's a
23 phishing e-mail. I've gotten them in text now, and
24 that's coming through more frequently as well. Be

1 aware and look at that.

2 QR codes. If you're going out to
3 dinner and you see one, it's like, oh, here is
4 something free. Be aware. Scanning a QR code can
5 actually download malware, can take you to a site,
6 you put in credentials, it can harvest those as
7 well. It may not be legit. So please be cautious
8 when you're doing that. Holidays they seem to
9 proliferate significantly. My shameless plug.
10 Please be alert, watch what you're getting, and
11 make sure you're doing that validation.

12 MR. FRUMKIN: In other words, if
13 it's too good to be true, it is.

14 MR. CUPPLES: Adam, I don't know if
15 you guys are aware but Fidelity National Title
16 Company just had a huge breach about a week or so
17 ago, and e-mail down, system down. It was pretty
18 bad.

19 MR. KOHLHORST: Quick question. I
20 have a question for Nikki.

21 MS. MILBURN: Yes.

22 MR. KOHLHORST: Back in October you
23 published out or made available some optional
24 security training. What did the participation look

1 like in that?

2 MS. MILBURN: So for participation
3 we hovered at one to two percent across the county.
4 That's what it is when it's optional. It's much
5 higher when it's required.

6 MR. KOHLHORST: Right.

7 MS. MILBURN: If anyone is
8 interested, KnowB4 does have holiday, that we can
9 put out there things to look for during the
10 holiday, whether it's the phishing, vishing, and
11 the QR codes. So we do have that available if
12 anybody would like that deployed to your agency.
13 Let me know. We can do it on an agency-to-agency
14 basis or we can do it wholistically for the entire
15 county. It can be required, it can be optional.
16 It's really your call. But I would be happy to
17 launch a training campaign for the holidays.

18 MR. KOHLHORST: Thank you.

19 MR. FRUMKIN: Thank you.

20 Are there any other questions?

21 Thoughts?

22 This being December, there is no
23 additional financial update until budgets are
24 approved. So we will go from there, and barring no

1 other questions, I'll defer back to Auditor
2 Stinziano, and wish to thank all of you for your
3 support.

4 SECRETARY STINZIANO: Thank you for
5 the Secretary comments.

6 - - -

7 APPROVAL OF MINUTES

8 - - -

9 SECRETARY STINZIANO: Next we will
10 move and approve the meeting minutes from the
11 November 13th, 2023 Regular Data Board meeting.
12 Are there any amendments or corrections?

13 Hearing no further review, I would
14 like to seek a motion for approval.

15 CLERK O'SHAUGHNESSY: I so move.

16 MR. CUPPLES: Second.

17 SECRETARY STINZIANO: It's been
18 moved and seconded. All those in favor, please
19 signify by voting aye.

20 Same sign for any opposition.

21 And any abstentions.

22 Motion is approved.

23 - - -

24 NEW BUSINESS

1 RESOLUTION NO. 23-134

2 - - -

3 SECRETARY STINZIANO: We will move
4 to New Business. We will begin with Resolution
5 23-134, Franklin County Technical Equipment
6 Salvage.

7 MS. LUST: Thank you.

8 And this is equipment that the Data
9 Center has deemed to have reached end-of-life and
10 should be disposed of. So there's nothing unusual
11 on the list.

12 Pending any questions, we request
13 your approval of this resolution.

14 SECRETARY STINZIANO: Thank you for
15 the presentation.

16 Any questions or comments?

17 Hearing no further review, I would
18 like to seek a motion for approval.

19 CLERK O'SHAUGHNESSY: I so move

20 MR. KOHLHORST: Second.

21 SECRETARY STINZIANO: It's been
22 moved and seconded. All those in favor, please
23 signify by voting aye.

24 Same sign for any opposition.

1 And any abstentions.

2 Resolution is approved.

3 And there is a desire to say more,
4 Julie?

5 MS. LUST: Yeah, there is.

6 SECRETARY STINZIANO: Go for it.

7 MS. LUST: We are starting to run
8 out of space for the salvage equipment. And Adam
9 has been working with the prosecuting attorney's
10 office to come up with a plan, a different way of
11 getting rid of the salvage once the Data Center is
12 done ensuring that all data has been removed.

13 MR. FRUMKIN: We have a policy
14 that's finalized in draft form that we will be
15 bringing to the Data Board in January, and then we
16 will go to the commissioners shortly after that. I
17 want to let you know that has been done, it's in
18 final review, and final draft and review, and
19 looking really good. I just want to say thank you
20 to Jeanine and her team for all of the work they
21 did to figure out a way for us to continue to move
22 forward and do it in a way that's effective and
23 efficient, but it also will help out residents in
24 the community as well in our process.

1 SECRETARY STINZIANO: Any questions
2 from Members of the Board from those updates?

3 - - -

4 RESOLUTION NO. 23-135

5 - - -

6 SECRETARY STINZIANO: All right. We
7 will move then to Resolution 23-135, Franklin
8 County Board of Elections, Electronic Poll Book
9 Replacement. Jeff Gatwood is presenting.

10 MR. GATWOOD: Good morning.

11 I'm Jeff Gatwood, the IT Director
12 for the Franklin County Board of Elections.

13 Director White and Deputy Director
14 Payne wanted me to extend their apologies for not
15 being here today, but we are starting our recounts
16 this morning. So they were needed in the office.

17 SECRETARY STINZIANO: I would think
18 you would be needed, too, in the office for that.

19 MR. GATWOOD: Not quite yet. Let
20 them start the recount part.

21 Today I'm seeking the approval for
22 two resolutions. One for our electronic pool book
23 replacement, that will provide for improved
24 check-in experience. And the other is for our

1 baseline budget items that will ensure that we will
2 be able to maintain our current level of service to
3 our customers.

4 Pending any questions, I ask for
5 your approval of Resolution No. 23-135 and
6 No. 23-136.

7 SECRETARY STINZIANO: I do have a
8 question. Did any Members of the Board have a
9 question?

10 Could you enlighten a little bit
11 more about what the replacement is, what's
12 different about this electronic poll book, which
13 may be successful for county residents? I've heard
14 from a lot of folks saying why have I been doing
15 back to paper. My polling location actually was
16 one of the trial ones of the new poll books so I
17 have a little more insight. But could you
18 enlighten the Data Board why we are back here for
19 electronic pool books again?

20 MR. GATWOOD: Sure. The previous
21 vendor, the product was successful, but it was not
22 as successful as we would have liked it to be. It
23 did have some challenges in terms of using
24 interface for our poll workers. It also had some

1 challenges on the back end about how fast data was
2 shared between that system and the voter
3 registration system. Because of those challenges,
4 we decided that relationship was not worth
5 maintaining and decided to look for a replacement.
6 We went with the Tenex Solution. Tenex is also our
7 voter registration system. So it's providing much
8 better data integration between the two entities.
9 So just to give you an example of our previous
10 vendor, during our early vote period, we were
11 always 24 hours out of sync. Just because those
12 two systems were separate and there was a manual
13 transfer of data between the two that was done once
14 a day. With the Tenex, it's near realtime. So as
15 soon as somebody is checked in on the electronic
16 pool book we know about the voter registration
17 system. Which is valuable because that is also
18 where we are processing our absentee ballot
19 applications. So we have insight directly with
20 somebody checking in or not, that we are allowed to
21 actually give them a ballot, from absentee or any
22 other method. So that integration is very
23 important for us.

24 Plus, we found that with our trial

1 that the user interface to the new product was much
2 better, pool workers found it much easier to use,
3 and it had a much higher success rate getting
4 people checked in correctly.

5 MR. FRUMKIN: Jeff, do you also want
6 to tell them the timeline?

7 SECRETARY STINZIANO: That was going
8 to be my next question. When are we deploying
9 these? Will voters see it in the March Primary or
10 an August special, if we are so lucky again, or
11 just the Presidential?

12 MR. GATWOOD: The thing right now,
13 what we are looking to do is for the March Primary,
14 yes.

15 SECRETARY STINZIANO: Any additional
16 questions from Members of the Board?

17 Hearing no further review, I would
18 like to seek a motion for approval of Resolution
19 23-135.

20 MR. CUPPLES: So moved.

21 CLERK O'SHAUGHNESSY: Second.

22 SECRETARY STINZIANO: It's been
23 moved and seconded. All those in favor, please
24 signify by voting aye.

1 Same sign for any opposition.

2 And any abstentions.

3 SECRETARY STINZIANO: Resolution is
4 approved.

5 - - -

6 RESOLUTION NO. 23-136

7 - - -

8 SECRETARY STINZIANO: Next is
9 Resolution No. 23-136, Franklin County Board of
10 Elections 2024 Baseline Procurement and Annual
11 Review.

12 I assume, Jeff, you don't have
13 anything additional you want to add?

14 MR. GATWOOD: No.

15 SECRETARY STINZIANO: I think it was
16 covered.

17 Are there any questions or comments?

18 Hearing no further review, I would
19 like to seek a motion for approval.

20 CLERK O'SHAUGHNESSY: I so move.

21 MR. KOHLHORST: Second.

22 SECRETARY STINZIANO: It's been
23 moved and seconded. All those in favor, please
24 signify by voting aye.

1 Same sign for any opposition.

2 And any abstentions.

3 Resolution is approved.

4 - - -

5 RESOLUTION NO. 23-137

6 - - -

7 SECRETARY STINZIANO: Our next
8 Resolution is 23-137, Franklin County Clerk of
9 Courts 2024 Baseline Procurement and Annual
10 Renewal.

11 MR. LUCKHAUPT: Good morning,
12 Members of the Board. Adam Luckhaupt, Director of
13 Technology, on behalf of Clerk of Courts Maryellen
14 O'Shaughnessy.

15 This resolution contains our
16 baseline operating budget and baseline budget for
17 the court case management system project.

18 Pending any questions, I request
19 your approval of this resolution.

20 SECRETARY STINZIANO: Thank you for
21 the presentation.

22 Any questions or comments from
23 Members of the Board?

24 Seeing no further review, I would

1 like to seek a motion for approval.

2 MR. CUPPLES: So moved.

3 MR. KOHLHORST: Second.

4 SECRETARY STINZIANO: It's been
5 moved and seconded. All those in favor, please
6 signify by voting aye.

7 Same sign for any opposition.

8 And any abstentions.

9 CLERK O'SHAUGHNESSY: Abstain.

10 SECRETARY STINZIANO: Abstention
11 noted. Resolution is approved.

12 - - -

13 RESOLUTION NO. 23-138

14 - - -

15 SECRETARY STINZIANO: We will move
16 to Resolution 23-138, Franklin County Coroner's
17 Office 2024 Baseline Procurement and Annual
18 Renewal.

19 MS. WRIGHT: Good morning everyone.
20 My name is Amanda Wright, Director of Operations
21 for the Franklin County Coroner's Office,
22 representing our Coroner Dr. Overmire.

23 We are seeking approval for our
24 baseline procurement and annual renewal for the

1 2024 year. The mission of the Franklin County
2 Coroner's office is to protect the interest of the
3 community by maintaining the highest standard of
4 professionalism and integrity, and determine the
5 cause and manner of death. Information technology
6 is required in order to achieve this mission,
7 including the annual hardware, software and
8 service.

9 Pending any questions, we ask for
10 your approval.

11 Thank you.

12 SECRETARY STINZIANO: Thank you for
13 the presentation.

14 Any questions or comments?

15 Seeing no further review, I would
16 like to seek a motion for approval.

17 CLERK O'SHAUGHNESSY: I so move.

18 MR. CUPPLES: Second.

19 SECRETARY STINZIANO: It's been
20 moved and seconded. All those in favor, please
21 signify by voting aye.

22 Same sign for any opposition.

23 And any abstentions.

24 Resolution is approved.

RESOLUTION NO. 23-139

- - -

SECRETARY STINZIANO: Next is Resolution 23-139, Franklin County Sheriff's Office 2024 Baseline Procurement and Annual Renewal.

MR. CROWTHER: Shanon Crowther, Director of IT for the Sheriff's office.

This resolution will authorize the continuation of our current year's baseline renewals and procurements as listed on the document. Procurements associated with new projects or technology will be presented under a separate resolution.

Pending any questions, I request your approval of this resolution.

SECRETARY STINZIANO: Good presentation.

Any questions or comments?

Hearing no further review, I would like to seek a motion for approval.

CLERK O'SHAUGHNESSY: I so move.

MR. KOHLHORST: Second.

SECRETARY STINZIANO: It's been

1 moved and seconded. All those in favor, please
2 signify by voting aye.

3 Same sign for any opposition.

4 And any abstentions.

5 Resolution is approved.

6 - - -

7 RESOLUTION NO. 23-140

8 - - -

9 SECRETARY STINZIANO: Our next
10 Resolution is 23-140, Franklin County Economic
11 Development and Planning 2024 Baseline Procurement
12 and Annual Renewal.

13 MR. LEE: Good morning. I'm
14 Jonathan Lee, GS Manager for the Franklin County
15 Economic Development and Planning Department.

16 Today I'm seeking approval for our
17 baseline budget items that will ensure that we will
18 be able to maintain our current level of service to
19 our customers and staff.

20 Pending any questions, I ask for
21 your approval of Resolution 23-140.

22 SECRETARY STINZIANO: Thank you for
23 your presentation.

24 Any questions or comments?

1 Hearing no further review, I would
2 like to seek a motion for approval.

3 CLERK O'SHAUGHNESSY: I so move.

4 MR. CUPPLES: Second.

5 SECRETARY STINZIANO: It's been
6 moved and seconded. All those in favor, please
7 signify by voting aye.

8 Same sign for any opposition.

9 And any abstentions.

10 MR. TORRES: Board of Commissioners
11 abstains.

12 SECRETARY STINZIANO: Abstention
13 noted.

14 Resolution is approved.

15 - - -

16 RESOLUTION NO. 23-141

17 - - -

18 SECRETARY STINZIANO: Next is
19 Resolution 23-141, Franklin County Board of
20 Developmental Disabilities 2024 Baseline
21 Procurement and Annual Renewal.

22 MR. SHERICK: Good morning. Name is
23 Travis Sherick, and I'm the IT Director for the
24 Board of Developmental Disabilities.

1 Today I'm asking for approval of
2 this resolution related to our 2024 IT baseline
3 budget. All items and dollar amounts are the same
4 as submitted and reviewed in the 2024 OMB and Data
5 Center budgeting process earlier this year. Money
6 for these items will come from our Board and
7 general revenue funds are being requested.

8 Pending any questions, I request
9 your approval of this resolution.

10 SECRETARY STINZIANO: Thank you for
11 the presentation.

12 Any questions or comments?

13 Seeing no further review, I would
14 like to seek a motion for approval.

15 CLERK O'SHAUGHNESSY: I so move.

16 MR. KOHLHORST: Second.

17 SECRETARY STINZIANO: It's been
18 moved and seconded. All those in favor, please
19 signify by voting aye.

20 Same sign for any opposition.

21 And any abstentions.

22 Resolution is approved.

SECRETARY STINZIANO: Next is Resolution 23-142, Franklin County Engineer's Office 2024 Baseline Procurement and Annual Renewal.

MR. ESKIN: Good morning, Honorable Members of the Board. I'm Val Eskin, Information Systems Manager on behalf of Franklin County Engineer, Cornell Robertson.

The mission of the Franklin County Engineer's office is to provide for safe and efficient movement of people from place to place, as well as designing and building Franklin County's roads and bridges and infrastructure for multiple modes of transportation. This resolution is for the Engineer's office yearly procurement and annual renewals. This is for recurring costs purchased using Engineer's funds.

Pending any questions, I request your approval of this resolution.

SECRETARY STINZIANO: Thank you for the presentation.

Any questions or comments?

Seeing no further review, I would

1 like to seek a motion for approval.

2 MR. CUPPLES: So moved.

3 CLERK O'SHAUGHNESSY: Second.

4 SECRETARY STINZIANO: It's been
5 moved and seconded. All those in favor, please
6 signify by voting aye.

7 Same sign for any opposition.

8 And any abstentions.

9 Resolution is approved.

12 - - -

13 SECRETARY STINZIANO: Next is
14 Resolution 23-143, Franklin County Prosecuting
15 Attorney 2024 Baseline Procurement and Annual
16 Renewal.

17 MR. GEORGE: Good morning. I'm Nate
18 George, the IT Director for the Franklin County
19 Prosecutor's office. I'm seeking approval for our
20 baseline budget items to ensure we have the current
21 level of services to support our office.

22 Pending any questions, I ask for
23 your approval of this resolution.

24 SECRETARY STINZIANO: Thank you for

1 the presentation.

2 Any questions or comments?

3 Hearing no further review, I'd like
4 to seek a motion for approval.

5 CLERK O'SHAUGHNESSY: I so move.

6 MR. KOHLHORST: Second.

7 SECRETARY STINZIANO: It's been
8 moved and seconded. All those in favor, please
9 signify by voting aye.

10 Same sign for any opposition.

16 SECRETARY STINZIANO: Next is
17 Resolution 23-144, Franklin County Animal Care and
18 Control 2024 Baseline Procurement and Annual
19 Renewal.

20 MS. RICCIARDO: Good morning. My
21 name is April Ricciardo, Assistant Director for the
22 Franklin County Animal Care and Control.

23 Today I'm seeking your approval for
24 our baseline budget items that will ensure we are

1 able to maintain our current staffing and service
2 levels.

3 Pending any questions, I seek your
4 approval for this resolution.

5 SECRETARY STINZIANO: Thank you for
6 the presentation.

7 Are there any questions or comments
8 from Members of the Board?

9 Hearing no further review, I would
10 like to seek a motion for approval.

11 CLERK O'SHAUGHNESSY: I so move.

SECRETARY STINZIANO: Next is Resolution 23-145, Franklin County Fleet Management 2024 Baseline Procurement and Annual Renewal.

MS. ASHCRAFT: Good morning. Charlotte Ashcraft, Director of Fleet Management. We are seeking your approval of our 2024 baseline budget items. These IT needs revolve around maintaining our access to our fleet management system, as well as many online wiring diagrams and manuals. In addition, this is to maintain access to our vehicle diagnostic systems. With all of the hybrids going on in this world, we need that.

We appreciate the partnership and patience with the Data Center, it's been good. They're a great partner in our operation --

SECRETARY STINZIANO: That may have been the most enthusiastic comment I've heard today.

MS. ASHCRAFT: Pending any questions, I respectfully request passage of this resolution.

SECRETARY STINZIANO: Thank you for that wonderful presentation.

1 Any questions or comments from
2 Members of the Board?

3 Hearing none, I would like to seek a
4 motion for approval.

5 CLERK O'SHAUGHNESSY: I so move.

6 MR. KOHLHORST: Second.

7 SECRETARY STINZIANO: It's been
8 moved and seconded. All those in favor, please
9 signify by voting aye.

10 Same sign for any opposition.

11 And any abstentions.

12 MR. TORRES: Board of Commissioners
13 abstains.

14 SECRETARY STINZIANO: Abstention
15 noted.

16 Resolution is approved.

17 - - -

18 RESOLUTION NO. 23-146

19 - - -

20 SECRETARY STINZIANO: Next is
21 Resolution 23-146, Franklin County Department of
22 Human Resources 2024 Baseline Procurement and
23 Annual Renewal.

24 MS. MARSHALL: Good morning. I

1 don't know how I'm supposed to follow that. I'm
2 Maria Marshall, Senior Budget Analyst for
3 Department of Human Resources.

4 I'm asking for approval of our 2024
5 Baseline Procurement and Annual Renewal. They will
6 provide -- help us run efficient operations for the
7 county for 2024.

8 Barring any questions, I
9 respectfully request your approval of Resolution
10 23-146.

11 SECRETARY STINZIANO: Thank you for
12 the presentation. You followed it up wonderfully.
13 The shorter the better is everyone's preference.

14 Are there any questions or comments
15 from Members of the Board?

16 Hearing no further review, I would
17 like to seek a motion for approval.

18 MR. KOHLHORST: So moved.

19 MR. CUPPLES: Second.

20 SECRETARY STINZIANO: It's been
21 moved and seconded. All those in favor, please
22 signify by voting aye.

23 Same sign for any opposition.

24 And any abstentions.

1 MR. TORRES: Board of Commissioners
2 abstains.

3 SECRETARY STINZIANO: Abstention
4 noted.

5 Resolution is passed.

6 - - -

7 RESOLUTION NO. 23-147

8 - - -

9 SECRETARY STINZIANO: Next is
10 Resolution 23-147, Franklin County Public
11 Facilities Management 2024 Baseline Procurement and
12 Annual Renewal.

13 MR. WILLET: Good morning, Data
14 Board Members. Jay Willet, Deputy Director of
15 Facility Technology, Public Facilities Management.

16 Today I'm seeking your approval for
17 the PFM 2024 IT baseline budget, Resolution 23-147,
18 to create and maintain a safe and functional
19 environment, PFM provides professional, technical
20 and non-technical support and services to county
21 staff and guests. This resolution will authorize
22 the continuation of PFM's 2024 baseline, renewals
23 and procurements.

24 If there are no questions, I seek

1 your approval. Thank you.

2 SECRETARY STINZIANO: Thank you.

3 Are there any questions or comments
4 from Members of the Board?

5 Hearing no further review, I'd like
6 to seek a motion for approval.

7 CLERK O'SHAUGHNESSY: I so move.

8 MR. CUPPLES: Second.

9 SECRETARY STINZIANO: It's been
10 moved and two seconds. All those in favor, please
11 signify by voting aye.

12 Same sign for any opposition.

13 And any abstentions.

14 MR. TORRES: Board of Commissioners
15 abstains.

16 SECRETARY STINZIANO: Abstention
17 noted.

18 Resolution is approved.

20 RESOLUTION NO. 23-148

21 - - -

22 SECRETARY STINZIANO: Next is
23 Resolution 23-148, Franklin County Probate Court
24 2024 Baseline Procurement and Annual Renewal.

1 MR. EVANS: Good morning. I am
2 Brian Evans, IT Director for Probate Court.

3 I'm requesting approval for Probate
4 Court's 2024 baseline budget items that will ensure
5 that the Court will be able to maintain its current
6 services to the public.

7 Pending any questions, I ask for
8 your approval of Resolution 23-148.

9 SECRETARY STINZIANO: Thank you for
10 the presentation.

11 Are there any questions or comments
12 from Members of the Board?

13 Hearing none, I would like to seek a
14 motion for approval.

15 CLERK O'SHAUGHNESSY: I so move.

16 MR. CUPPLES: Second.

17 SECRETARY STINZIANO: It's been
18 moved and seconded. All those in favor, please
19 signify by saying aye.

20 Same sign for any opposition.

21 And any abstentions.

SECRETARY STINZIANO: Next is Resolution 23-149, Franklin County Data Center 2024 Baseline Procurement and Annual Renewal.

MS. LUST: And the Data Center is requesting your approval of renewal for standard purchases from our 2024 baseline budget. New technology initiatives will be brought before this Board for review and approval under a separate resolution.

Pending any questions, I request your approval of this resolution.

SECRETARY STINZIANO: Thank you for the presentation.

Are there any questions or comments? Hearing none, I will seek a motion for approval.

MR. CUPPLES: So moved.

CLERK O'SHAUGHNESSY: Second.

SECRETARY STINZIANO: It's been moved and seconded. All those in favor, please signify by voting aye.

Same sign for any opposition.

And any abstentions.

1 Resolution is approved.

2 - - -

3 RESOLUTION NO. 23-150

4 - - -

5 SECRETARY STINZIANO: Our final
6 resolution is Resolution 23-150, Acquisition
7 Approval of Computer Hardware, Software, and
8 Services, 99,999.99 or less.

9 MS. LUST: Each year the Board
10 provides the Data Center CIO Adam Frumkin and his
11 designee the authority to approve some technology
12 initiatives and procurements on your behalf.
13 Before giving approval or having our partners
14 present resolutions before you, the Data Center
15 team preforms a business technology and security
16 review of the technology. Last year, the Data
17 Center approved 250 procurements on your behalf,
18 while 35 baseline procurements like we saw today,
19 and 28 resolutions for new technology were brought
20 before this Board. This year, we request to
21 increase that dollar amount in which the Data
22 Center can approve on your behalf from 50,000
23 dollars to less than 100,000 dollars. This would
24 have reduced new technology resolutions brought

1 before this Board in 2023 from 28 to 11, allowing
2 the other 17 to be implemented faster. Regardless
3 of the dollar amount, any technology associated
4 with a high-risk that this Board should discuss
5 will still be brought via resolution.

6 Pending any questions, we
7 respectfully request your approval of this
8 resolution.

9 SECRETARY STINZIANO: Thank you for
10 the presentation.

11 Are there any questions or comments
12 from Members of the Board?

13 MR. TORRES: Clarification. So can
14 you discuss the current purchasing threshold for
15 competitive bids at 75,000, how this does not --

16 MS. LUST: It's different than that
17 dollar amount. Yes, absolutely.

18 The 100,000 dollar limit was chosen
19 after we reviewed past resolutions in which
20 procurement was pretty standard and had a low-risk.
21 The approval by this Board is based on technology
22 and separate from the Commissioners' procurement
23 requirements and approval. We do, however, work
24 with our partners when appropriate to assist them

1 with obtaining proper purchasing agreements or
2 helping them with proper procurement, and we also
3 recommend they seek assistance from purchasing or
4 the prosecuting attorney when needed.

5 MR. TORRES: Thank you.

6 SECRETARY STINZIANO: Are there any
7 additional questions or comments?

8 Hearing none, I would like to seek a
9 motion for approval.

10 CLERK O'SHAUGHNESSY: I so move.

11 MR. CUPPLES: Second.

12 SECRETARY STINZIANO: It's been
13 moved and seconded. All those in favor, please
14 signify by voting aye.

15 Same sign for any opposition.

16 And any abstentions.

17 Resolution is approved.

18 That concludes our resolutions.

19 - - -

20 OTHER BUSINESS

21 - - -

22 SECRETARY STINZIANO: We will
23 quickly move to Other Business. Do we have any
24 updates from any Members of the Board?

1 Court of Common Pleas?

2 JUDGE BROWN: No. Happy holidays.

3 SECRETARY STINZIANO: Clerk?

4 CLERK O'SHAUGHNESSY: That's about
5 it. Happy holidays.

6 SECRETARY STINZIANO: Board of
7 Commissioners?

8 MR. TORRES: On Thursday,
9 December 7th, the Commissioners will review the
10 recommended budget for discussion, and then on
11 December 12th will be the actual official vote on
12 the 2024 budget request.

13 SECRETARY STINZIANO: So that's when
14 we really find out if it's a happy holiday or not.

15 MR. TORRES: I will defer to the
16 Commissioners.

17 SECRETARY STINZIANO: Fair enough.
18 Recorder's office?

19 MR. CUPPLES: Nope. Have a good
20 week.

21 SECRETARY STINZIANO: Treasurer's
22 office?

23 MR. KOHLHORST: Real quick. The
24 Treasurer's office has been working for the past

1 five months on an upgrade to a core application.
2 We did it hand-in-hand with the Data Center. It
3 went into production Friday night. The Data Center
4 worked great with us. We really appreciate the
5 help. Things are running well this morning.

6 SECRETARY STINZIANO: We have our
7 Board of Elections members in special meetings. We
8 know that is important to certify and get ready for
9 the next primary.

10 On the Auditor's side, an e-mail
11 went out requesting designee acknowledgement. So
12 if you could get that back to our office so we can
13 get that processed and be ready for a wonderful
14 2024 year, that would be appreciated.

15 Anything else for today's meeting?

16 Seeing none, we are adjourned. Have
17 a great and wonderful week.

18 - - -

19 Thereupon, the proceeding concluded at
20 approximately 9:35 a.m.

**FRANKLIN COUNTY, OHIO
AUTOMATIC DATA PROCESSING BOARD**

**FRANKLIN COUNTY DATA CENTER
TECHNOLOGY EQUIPMENT SALVAGE**

WHEREAS, it has been determined that certain County technology equipment is obsolete and unfit for Franklin County use; and,

WHEREAS, the Franklin County Data Center Chief Information Officer recommends this equipment be declared surplus for the purpose of public sale or disposal; and,

WHEREAS, a list of the equipment is attached hereto and made a part hereof; and,

NOW, THEREFORE, BE IT RESOLVED that the Franklin County Automatic Data Processing Board recommends the Franklin County Board of County Commissioners, in accordance with Ohio Revised Code Section 307.12, that the equipment be placed for public sale or disposal, the technology equipment specified in the attached list.

INFORMATION TECHNOLOGY PROCUREMENT REQUEST
2024 BASELINE PROCUREMENT AND ANNUAL RENEWAL**

WHEREAS, in accordance with Ohio Revised Code Section 307.84, the Franklin County Automatic Data Processing Board may authorize, in writing, any County office to purchase, lease, operate, or contract for the use of any automatic or electronic data processing or record-keeping equipment, software, or service; and,

WHEREAS, the attached detail describes the purchase(s) required for the normal operation; and,

WHEREAS, the Data Center Chief Information Officer has reviewed the technical and security aspects of the procurement and made recommendations on the attached detail; and,

WHEREAS, the Automatic Data Processing Board has determined that it is in the best interest of the County to authorize these expenditures, contingent upon the Franklin County Board of Commissioners' approval, and,

NOW, THEREFORE, BE IT RESOLVED that the Franklin County Automatic Data Processing Board authorizes the technology procurement.

Franklin County Automatic Data Processing Board
Information Technology Procurement Resolution
Resolution #: 24-002
Dated: 1/08/2024

Title	2024 Baseline Procurements and Annual Renewals
Agency	Franklin County Public Defender's Office
Amount	\$612,596.00
Category	Hardware, Software, and Technology Services

Business Justification

The Franklin County Public Defender's Office (PBDF) provides comprehensive legal representation services in criminal, juvenile, and custody proceedings to indigent persons in Franklin County, Ohio, misdemeanor criminal matters. It does not handle civil matters associated with these criminal matters, such as Department of Licensing Administrative Hearings and traffic infractions. This resolution will authorize the continuation of the current year's baseline renewals and procurements as listed below. Procurements associated with new projects or technology will be presented under separate resolutions.

Description

Request Type	Description
IT Maintenance and Repair Agreements	MCS/DIF
IT Microsoft Licenses	SQL

IT Microsoft Licenses	Teams Room Calling Plans
IT Software Subscription and Maintenance	MTR Pro
IT Software Subscription and Maintenance	Axon
IT Software Subscription and Maintenance	Adobe
IT Software Subscription and Maintenance	Kronos
IT Software Subscription and Maintenance	Zoom

Franklin County Data Center Recommendation

The Data Center recommends the approval of the above reoccurring information technology items. The Data Center is committed to collaborating to develop and evaluate solutions that align with PBDF business and the following strategic initiatives: cost-effective technology, technical debt reduction, and decreased duplicate technology.

Franklin County Automatic Data Processing Board
 Information Technology Procurement Resolution
 Resolution #: 24-003
 Dated: 1/08/2024

Title	2024 Baseline Procurements and Annual Renewals
Agency	Franklin County Auditor's Office
Amount	\$3,645,825.00
Category	Hardware, Software, and Technology Services

Business Justification

The Franklin County Auditor's Office (AUDR) will continue its vision to make the operations and services of this office more accessible to constituents through these continued IT expenditures. The below-recurring costs represent the Appraisal, Tax Accounting, Dog Licensing, and Financial Reporting software tools vital to our statutory obligations in our services to the public, county, and local governments within Franklin County. The recurring expenditures below, paired with the budgeted IT Plan for 2024, will improve office productivity, further integrate/streamline processes, and implement tools that make the Franklin County Auditor's office more responsive to the constituents.

This resolution will authorize the continuation of the current year's baseline renewals and procurements as listed below. Procurements associated with new projects or technology will be presented under separate resolutions.

Resolution #: 24-004
 Dated: 1/08/2024

Title	2024 Year Baseline Procurements and Annual Renewals
Agency	Alcohol Drug and Mental Health Board of Franklin County
Amount	\$1,180,000.00
Category	Hardware, Software, and Technology Services

Business Justification

The Alcohol Drug and Mental Health Board of Franklin County's (ADAMH) mission is to collaborate with more than 30 behavioral health care providers located in neighborhoods throughout Franklin County. ADAMH's role is to fund, plan, and evaluate our community's mental and behavioral health care services, ensuring they keep their promise to taxpayers. ADAMH ensures the community receives the best quality services and responds to evolving community needs by expanding services whenever possible.

This resolution will authorize the continuation of the current year's baseline renewals and procurements as listed below. Procurements associated with new projects or technology will be presented under separate resolutions.

Category	Hardware, Software, and Technology Services

Business Justification

The Franklin County Treasurer's Office (TREA) collects more than \$2.6 billion in property taxes yearly from owners of more than 430,000 homes, farms, business properties, and other parcels in Franklin County. The office also administers delinquent tax collection programs and a tax escrow program for property taxpayers. In addition to the office's collection responsibilities, the Treasurer serves as the Chief Investment Officer for Franklin County.

This resolution will authorize the continuation of the current year's baseline renewals and procurements as listed below. Procurements associated with new projects or technology will be presented under separate resolutions.

Franklin County Automatic Data Processing Board
Information Technology Project Resolution
Resolution #: 24-010
Dated: 1/08/2024

Title	Mobile Biometric Check Application
Agency	Franklin County Sheriff's Office
Amount	\$123,000.00
Category	Hardware and Software

Business Justification

The Franklin County Sheriff's Office's (SHRF) mission is to protect the lives and property of the citizens of Franklin County, preserve the peace, and prevent crime and disorder while constantly guarding personal liberties as prescribed by law. The Mobile Biometric Check is an application that will allow deputies to use cellular devices to capture fingerprints of individuals in the AFIS database without having to connect to a cruiser or computer. This will allow for a quicker, more efficient way to take individuals' fingerprints. This is an add-on through the Sheriff's AFIS Vendor IDEMIA.

Description

This procurement request is an add-on through the Sheriff's Office AFIS Vendor IDEMIA. This includes licensing and professional services with the Installation of the Application.

Franklin County Data Center Recommendation

The partner will work with FCDC through the procurement process and through implementation and, pending the approval of the Prosecuting Attorney and Purchasing.

KEY RESPONSIBILITIES OF THE ROLE

- Provides day-to-day operational management for the project team within the scope of assigned projects.
- Plans, organizes, and coordinates all aspects of assigned, highly complex technology projects to implement the Data Center IT Plan and provide IT services in response to customer project requests.
- Ensures that the goals and objectives of assigned projects are accomplished on time and within budget.
- Manages the project planning process, including identifying needed resources, developing a project plan, coordinating with stakeholders to reach an agreement on requirements and task assignments, managing and coordinating team activities, and executing the project plan.
- Develops and manages all appropriate project management documents, including project plan, resource estimates, project budget, project schedule, team roster and assignments, issue management, risk management, change control, and periodic status reports. Assumes a critical role in developing the project budget and its presentation as necessary.
- Serves as a key liaison between the project team and the customer to provide updates and obtain feedback, ensuring proper and timely communication. Uses leadership and communication skills to help communicate management goals and interact with the users in the development of business applications.

**FRANKLIN COUNTY, OHIO
AUTOMATIC DATA PROCESSING BOARD**

- Provide regular communication to the organization regarding the progress and status of projects.
- Works closely with the users to ensure that the design and development of the new or enhanced applications adequately meet the business requirements.
- Coordinates project team activities across functional areas and disciplines to accomplish project goals.
- Coordinates with customers to develop new systems and to ensure existing systems meet their needs.
- Provides leadership and coaching to assigned team members.
- Works closely with business, administrative, and technical staff to meet customer needs.

EMPLOYMENT NOTABLES

- A motivational leader skilled in directing all aspects of project management effectiveness from concept to delivery across global operations.
- Develop project assets that meet business goals and objectives, including scope, requirements, charters, schedules, and budgets.
- Facilitate stakeholder engagement through the timely communication of the big picture.
- Managed four enterprise-level data ingest and processing projects, working across multiple teams, divisions, and globally. Oversaw delivery using Agile / Scrum methodology. Controlled documentation of all project elements, including requirements, risk register, milestones, sprint planning, and resource capacity.

STRATEGIC PROJECT MANAGER

Achieve Quality Results by Managing Project Constraints | Build & Lead Effective Teams

Motivational leader skilled in directing all aspects of project management effectiveness from concept to delivery across global operations. Develop project assets including scope, requirements, charters, schedules, and budgets, meeting business goals and objectives. Direct projects simultaneously, defining success criteria.

Facilitate stakeholder engagement through timely communication of big picture. Empower teams in making collaborative decisions, meeting commitments by independently providing project deliverables. Build trust and harmony, applying negotiation skills, addressing issues and reaching agreements via influencing. Employ constructive conflict management techniques, achieving high performing teams.

**Project Planning | Project Execution | Risk Management | Documentation Control
Requirements Identification & Management | Agile | Scrum**

TECHNICAL SKILLS

MS Project | MS Visio | MS Excel | SAP | ERP | JIRA | Confluence | ServiceNow

PROFESSIONAL EXPERIENCE

OCLC, Dublin, OH

Program Manager / Project Manager / Delivery Lead

2020 - 2023

Managed 4 enterprise level data ingest and processing projects, working across multiple teams, different divisions, and globally. Oversaw delivery using Agile / Scrum methodology. Controlled documentation of all project elements, including requirements, risk register, milestones, sprint planning, and resource capacity.

- Implemented over 71 million database records, populating global library database, servicing 16,000+ member library systems, leading project teams, developers, QA, product owners, and sponsor.
- Developed Proof of Concept of Tableau for Metrics Dashboard, collaborating with internal stakeholders, including research and data analysis, determining feasibility. Corroborated business intelligence, and display and presentation of metrics.
- Implemented sync of 1.7 million German-language records into global library database, creating workflows, workarounds and working with multiple teams globally on mitigating risks involved with record overlay.
- Launched [Community Agenda](#) publication, that recommends implementation of inclusive, reparative, descriptive data, supporting DEI, working with 100+ internal & external stakeholders globally, including advisory groups.
- Created, maintained, and sustained Metadata Infrastructure and Quality Vocabulary, which was adopted by global teams. Used to promote consistency in documentation, conversation, and increase depth of knowledge through reading, listening, speaking, and writing using preferred terms globally, for internal and external customers.
- Directed assigned data ingest/processing and software development projects with primary stakeholders comprised of internal Directors, Executive Directors, and external agency founders, communicating technical information to non-technical audiences through project presentations.
- Implemented delivery service process, ensuring events, tasks, and associated artifacts were aligned for successful project delivery of complex technology projects.
- Built successful project teams using the Tuckman ladder model of forming, storming, norming, performing and adjourning, using appropriate team-building plans and activities to the size and characteristics of the team.

Senior Documentation Consultant (Metadata Strategy and Operations)

2017 - 2020

Managed enterprise project portfolio for Documentation, Training, and Metrics, working with cross-functional teams globally.

- Built out step-by-step documentation for all areas' processes, best practices and procedures, establishing, training, and monitoring global teams on use of Confluence.
- Established, planned and executed internal training sessions, educating staff, using documentation created by cross-functional teams.
- Led external focus groups to inform process inefficiencies. Built out Visio process workflows with teams, creating internal and external facing documentation, reducing Customer Support call volume, increasing Sales volume.
- Streamlined and automated data sync metrics by building out PowerBI, measuring volume, velocity, and turnaround, informing technical process delays and improving ingest throughput. Implemented customer satisfaction survey process.

INGRAM / COUTTS, Niagara Falls, ON

Manager, Technical Services / Operations

2008 - 2013

Managed large scale supply chain enterprise level projects working across multiple teams, across different departments, between the US, Canada, UK and the Netherlands

- Transitioned Operations and Technical Services to other warehouse distribution centers / facilities, rolling out new customers, streamlining shipments, and reducing shipping costs.
- Teamed with Engineer, managing real estate redesign, incorporating new functions and staff into existing floor space, initiating turnkey operations.
- Provided short and long-term project planning for department's manpower, electronic resources, and space utilization, researching technologies, recommending purchases, managing bid/proposal selection process.
- Prepared annual capital and operating budgets for Technical Services and monitoring actuals, providing reports, year-end results, and forecasts, informing future tactical plans.
- Provided strategic plans for Technical Service areas in facilities achieving educated staff, smooth workflow, controlled inventory, and seamless transition of services.

Kassy Franz, Chief People Officer

Susan B. Duderstadt

EDUCATION: Franklin University, Columbus, OH
Master of Public Administration Degree: December 2017

California University of Pennsylvania (now known as PennWest), California, PA
Bachelor of Science Degree: August 2000
Major: Applied Computer Science
Minor: Electrical Engineering Technology

CERTIFICATIONS: ITMLP (Information Technology Management and Leadership Professional)

RECENT EMPLOYMENT:

Center of Science and Industry (COSI), Columbus, OH **August 2022 – Present**

Senior Director of Technology Systems

Highlights:

- Responsible for researching new technologies, driving implementation of best practices for optimizing infrastructure and improving information system performance and security.
- Developed an Information Technology strategic plan which will drive recommendations for short- and long-term IT goals and objectives and guide the technology team in planning and achieving those goals.
- Acts as a strategic partner to support COSI's mission by providing oversight of the technology used to support all aspects of the institution's business, including its retail, e-commerce, and building systems.
- Partner with the technology community to ensure the effective delivery of new services.
- Work closely with the Sr. Director of IT to prepare and adhere to the annual budget.
- Seek and evaluate emerging technologies, products, and software applications, and educate stakeholders on the potential for new technologies to deliver return on investment.
- Developing a new set of IT standards, policies, and procedures to support the institution and ensure that IT services are effectively audited and that existing practices meet compliance requirements.

Community Housing Network (CHN), Columbus, OH **August 2020 – April 2022**

Director of Information Technology

Highlights:

- Was responsible for overseeing and directing the technology team and infrastructure for the organization.
- Project management of technology related initiatives, ensuring compliance with time, function, and financial requirements.
- Managed IT vendors and negotiated contracts, aligning with annual budget and compliance.
- Partnered with Managed Services Provider for infrastructure management, monitoring, software licensing and hardware procurement.
- Assessed the state of the network, server, and disaster recovery systems and processes to create and present an IT Strategy proposal for improvements.
- Implemented an inventory system and equipment lifecycle schedule.
- Maintained an annual IT budget with a critical eye on reducing costs.
- Performed InfoSec training for new staff and implemented information security best practices.

Sr. Director of Information Technology Services (September 2018 – August 2020)

Highlights:

- Was responsible for overseeing and directing the Information Technology and SHARES Enterprise Services departments. Also served as the Information Security Officer.
- Led the team to quickly replace the DRaaS solution after a vendor merger unexpectedly caused dissolution of the service. Not only did we promptly implement an interim disaster recovery solution, the ultimate DRaaS solution offered a substantial RPO/RTO improvement.
- Responsible for the IT budget and contracts. Worked with numerous vendors for hardware, software, and licensing procurement.
- Created an IT Strategic plan to re-organize the current IT Department structure, making recommendations to align with current best practices and business goals and staff development.

Director of SHARES Enterprise Services (October 2016 – September 2018)

Highlights:

- Being promoted to Director of SHARES Enterprise Services after 1 year in my prior position.
- Was responsible for project management and overseeing SHARES business processes.
- Supervised the Director of Membership Services, Claims and Enrollment team, and SHARES Business Systems Analyst.
- Produced SHARES policies and procedures, operations, and documentation manuals.
- Established performance SLA's for the helpdesk ticketing system.

SHARES Application Administrator (May 2015 – October 2016)

Highlights:

- Was promoted to SHARES Application Administrator after less than 1 year with the Board.
- Worked with multiple Provider agencies across Franklin County to enroll consumers and submit claims in the SHARES application.
- Was responsible for the project management, testing, administration, training, and implementation of the SHARES software application for the Board.
- Created numerous training materials, coordinated and presented multiple training events for the Providers tailored to their role in using the various modules of the SHARES application.

Systems Analyst 1 (June 2014 - May 2015)

Highlights:

- Provided technical support and provided staff training as needed.
- Was the technical lead to implement a multi-Board helpdesk application, which included coordinating with the vendor, creating documentation, and training staff.
- Created and regularly maintained an inventory process for all desktop equipment. Also established a PC lifecycle schedule, which included being responsible for selecting, repairing, configuring and replacing equipment.

EARLIER EMPLOYMENT:

Residential Finance Corp, Columbus, OH Feb. 2013 – Sept. 2013: **Jr. Systems Administrator**
(Laid off – company had closed)

National Youth Advocate Program (NYAP), Columbus, OH Nov. 2008 – Apr. 2012: **User Support Technician**, promoted to **Supervisor of User Support**

Signature Worldwide, Dublin, OH Feb. 2006 – Feb. 2008: **Help Desk Representative**

United States Trotting Association, Columbus, OH July 2002 – Oct. 2005: **Computer Operator**; promoted to **Lead Support Technician**

Kassy Franz, Chief People Officer

DENESE M. STEELE

I'm an innovative and strategic management, consulting, operations, and sales leader with over fifteen years of experience across a variety of fields including cybersecurity, information technology, healthcare, and management & consulting in a variety of organizations. I'm seeking an opportunity to transition into a risk-focused information security role, ideally serving as a consultative advisor translating security risks into actionable business recommendations.

Experience

Director of Strategic Partnerships & Operations, Blackmere Consulting, January 2023-present

- Hired into a newly created role to lead organization's growth in cybersecurity recruiting
- Served as a member of the senior leadership team, contributing to strategic decisions across all areas of the business including IT, finance, HR, and legal
- Routinely reviewed and approved contracts for risk assessment purposes, including redlines of internal documents as well as external documents
- Negotiated terms with clients with an eye for risk and business optimization
- Within 30 days of hire, documented strategic goals for the next four quarters identifying areas for process improvement, new process development, and growth opportunities and strategies
- Built Channel Partner program with finance team, including contract production
- Partnered closely with marketing team to identify core products and produce sales materials accordingly
- Closed new contracts with over a dozen channel partners and new clients in just a few months of hire
- Mentored recruiting team as new clients were onboarded to ensure delivery success

Business Development Manager, ITSecureNow, July 2019-January 2023

- Partnered with existing leadership and technical team members to refine company focus and strategy away from managed services and towards cybersecurity consulting
- Built rapport with technical team while learning cybersecurity essentials from SMEs to develop working cybersecurity knowledge
- Learned security fundamentals through shadowing SMEs on client projects, participating where appropriate, and constantly asking questions.
- Reviewed and prepared responses for third-party questionnaires for managed services clients under the guidance of security SMEs
- Scoped projects with security engineers and developed new proposal template for security quotes
- Project-managed penetration tests, security and risk assessments, compliance readiness assessments, assessments for insurance renewals, policy & procedure development--ensuring projects were delivered on time and under budget
- Developed final reporting template for assessments and wrote, edited, and presented deliverables to management and c-suite client contacts
- Developed working knowledge of a variety of security and compliance frameworks as various projects required this information, including NIST, CMMC, SOC, ISO, PCI, etc.
- Developed new Master Services Agreement and Statement of Work templates to ensure appropriate legal documentation and coverage
- Routinely reviewed contract redlines, negotiated terms, and approved final agreements with an eye for potential business risk
- Developed new pricing template for managed services proposals to accurately account for all costs and predict profit margins

- Assumed business management responsibility for company in March 2022, including, finance, HR, marketing, and legal.
- Built relationships with partner organizations (managed services providers, compliance professionals, professional membership organizations, etc.) to source and trade leads
- Called on a variety of prospects, both cold and warm, to build sales pipeline for existing MSP business line as well as emerging cybersecurity business
- More than doubled company revenue in two years across all lines of business
- Increased local name recognition within the business and IT communities

Managing Director, ApTask, LLC, January 2018-June 2019

- Opened and managed Midwest market for East Coast-based IT, finance, and professional services staffing firm
- Within a year had opened accounts with four multi-billion dollar clients in finance, energy, and manufacturing spaces as well as numerous smaller clients
- Led relationship management with both end-client executives and vendor management teams
- Built and extended network to foster new relationships with clients at all levels from mid-level management to the C-suite
- Managed and coached teams of recruiters to understand client culture and requirements to ultimately meet and exceed client expectations
- Built depth within client relationships to become a trusted partner, rather than simply a vendor
- Personally vetted candidates for quality of fit with client job requirements and culture, and coached candidates through hiring process
- Set and consistently achieved or exceeded sales and revenue targets
- Utilized Hubspot to track and manage contacts, leads, and ongoing sales efforts

Account Executive/Proposal Manager, Diversified Systems, Inc., September 2015-January 2018

- Led business development and account management efforts, including relationship-building, client management, and lead generation
- Strategically grew the company's total number of accounts and key partnerships through C-suite relationships across the Central Ohio region
- Closed gross sales across project and staffing work in excess of \$1,000,000 during second year with no prior direct sales experience
- Consistently achieved or exceeded sales objectives and targets
- Built cohesive team rapport around shared goals and values across sales, administrative, and recruiting teams
- Drove increased revenues and company exposure through successful proposal writing, successful acquisition of regional awards, and direct sales efforts
- Developed and managed new proposal generation process, including partner management
- Wrote, edited, and managed web content including blog posts, website copy, and social media content
- Utilized Salesforce to track and manage contacts, leads, and ongoing sales efforts

Freelance Communications Consultant, January 2014-September 2015

Recruitment and Development Specialist, Remington-Davis Clinical Research, February 2014-October 2014

- Developed and launched new strategies for more efficient and effective trial patient identification
- Took over management of struggling vaccine trial and increased enrollment by 500% within 6 months
- Developed and maintained relationships with potential investigators to open new research opportunities and increase revenues
- Independently launched and successfully managed implementation of new surgical device trial, including coordination of multiple hospital departments with surgeon's office and staff

- Coordinated with trial sponsor and new client physician to re-launch previously defunct foot fracture study
- Team-led the launch of a new osteoarthritis study with aggressive recruitment goals, leading site to be one of the top enrollers nationwide

Managing Director, My Print Market, LLC, January 2012-February 2014

Director of Operations, Kurron & Company, Inc. Columbus, OH, August 2009-January 2012

Business & Communications Coordinator, Kurron & Company, Inc. Columbus, OH, July 2007-August 2009

Clinical Research Coordinator, Remington-Davis, Inc. Columbus, OH, August 2005-May 2007

Writing Program Administrator, Dept. of English, The Ohio State University, Columbus, OH, June 2004-June 2005

Graduate Teaching Associate, Dept. of English, The Ohio State University, Columbus, OH, Sept. 2003-June 2005

Publications

Teaching with Rhetorical Visions: Writing and Reading in a Visual Culture. Edited with Ivonne M. García and Theresa Kulbaga. Prentice Hall, 2007.
