## Franklin County Automatic Data Processing Board

*Michael Stinziano, Secretary/Chief Administrator*

*Cheryl Brooks Sullivan • Kim Brown • Daniel J. O'Connor, Jr.*

*John O'Grady • Maryellen O'Shaughnessy • Antone White • David R. Payne*

# **SPECIAL PUBLIC NOTICE**

## **FRANKLIN COUNTY DATA BOARD**

## **MONTHLY MEETING SCHEDULED FOR**

**TUESDAY, JULY 05, 2022**

The Honorable Michael Stinziano, Secretary/Chief Administrator of the Franklin County Automatic Data Processing Board, is requesting that the date of the July Board meeting be rescheduled to Tuesday, July 05, 2022.

Therefore, the next Automatic Data Processing Board meeting will be in person and held on July 05, 2022, in the FCDC Auditorium located at 373 S. High Street, 9<sup>th</sup> Floor of the Franklin County Courthouse.

# Franklin County Automatic Data Processing Board

***Michael Stinziano, Secretary/Chief Administrator***

*Cheryl Brooks Sullivan ♦ Kim Brown ♦ Daniel J. O'Connor, Jr  
John O'Grady ♦ Maryellen O'Shaughnessy ♦ Antone White ♦ David R. Payne*

---

**To:** The Honorable Michael Stinziano, Secretary/Administrator  
Franklin County Data Processing Board

**From:** Adam Frumkin, Chief Information Officer  
Franklin County Data Center

**Date:** July 01, 2022

**Subject:** Agenda for the Tuesday, July 05, 2022, Data Processing Board Meeting

The proposed agenda for the Tuesday, July 05, 2022, Franklin County Automatic Data Processing Board meeting is attached for your review. The meeting will be held in the FCDC Auditorium on the 9<sup>th</sup> floor of the Franklin County Courthouse, 373 S. High Street, Columbus, Ohio 43215.

**The Board will reconvene in Regular Session at 9:00 A.M.**  
**AN AGENDA WILL BE PROVIDED TO YOU AT THE MEETING.**

**Cc:** The Honorable Cheryl Brooks Sullivan, Member, Franklin County Treasurer  
The Honorable Kim Brown, Member, Franklin County Court of Common Pleas  
The Honorable Daniel J. O'Connor Jr., Member, Franklin County Recorder  
The Honorable John O'Grady, Member, Franklin County Board of Commissioners  
The Honorable Maryellen O'Shaughnessy, Member, Franklin County Clerk of Courts  
The Honorable Antone White, Member, Franklin County Board of Elections  
Mr. David R. Payne, Member, Franklin County Board of Elections

Jo Ellen Cline, Delegate, Franklin County Auditor  
Gary Dwyer, Delegate, Franklin County Auditor  
Shawn Dunlavy, Delegate, Franklin County Auditor  
Susan Bedsole, Delegate, Franklin County Common Pleas Court  
Adam Luckhaupt, Delegate, Franklin County Clerk of Courts  
Sharlene Chance, Delegate, Franklin County Clerk of Courts  
Tammy Seelig, Delegate, Franklin County Clerk of Courts  
Angela Mathews, Delegate, Franklin County Clerk of Courts  
Zak Talarek, Delegate, Franklin County Board of Commissioners  
Juan Torres, Delegate, Franklin County Board of Commissioners  
C. Chris Cupples, Delegate, Franklin County Recorder  
Robert Hinton, Delegate, Franklin County Recorder  
Dusten Kohlhorst, Delegate, Franklin County Treasurer  
Jim Holmes, Delegate, Franklin County Treasurer  
Victoria Troy, Delegate, Franklin County Treasurer  
Foni Picinane, Delegate, Franklin County Treasurer  
Steven Bulen, Delegate, Franklin County Board of Elections  
Erin M. Gibbons, Delegate, Franklin County Board of Elections

# AGENDA-Automatic Data Processing Board Meeting, July 05, 2022

---

## 9:00 A.M. Convene in Regular Session

- **Call to Order**
- **Pledge of Allegiance**
- **Secretary's Comments**
- **Approve or amend the Minutes of June 06, 2022, Regular Data Board Meeting**
- **New Business**

— **Resolution No. 22-074 Franklin County Technical Equipment Salvage**

— **Resolution No. 22-075 Franklin County Clerk of Courts – Tyler Technologies Service Contract Amendment**

— **Resolution No. 22-076 Franklin County Public Defender – CMS Upgrade**

— **Resolution No. 22-077 Franklin County Emergency Management and Homeland Security – Master Service Agreement**

— **Resolution No. 22-078 Franklin County Community Based Correctional Facility – Master Service Agreement**

## **Motion to Hold an Executive Session for the purpose of discussing Personnel Matters**

As authorized by O. R. C. Section 121.22, Division (G)(1)

- **Second the Motion to Hold an Executive Session**  
Roll call vote (requires a majority of the quorum)

- **Move to Executive Session**

- **Executive Session**

— Resolution No. 22-079 Personnel Action – New Hire – Enterprise Architect

— Resolution No. 22-080 Personnel Action – New Hire – Enterprise Architect

— Resolution No. 22-081 Personnel Action – New Hire – Enterprise Support Analyst 1

— Resolution No. 22-082 Personnel Action – New Hire – Human Resources Generalist

- **Motion to Adjourn the Executive Session**  
Roll call vote (requires a majority of the quorum)

## **Reconvene in Special Session**

- **Resolution No. 22-079 Personnel Action – New Hire – Enterprise Architect**
- **Resolution No. 22-080 Personnel Action – New Hire – Enterprise Architect**
- **Resolution No. 22-081 Personnel Action – New Hire – Enterprise Support Analyst 1**
- **Resolution No. 22-082 Personnel Action – New Hire – Human Resources Generalist**

## **Other Business**

**Motion to Hold an Executive Session for the purpose of discussing details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office**

As authorized by O. R. C. Section 121.22, Division (G)(6)

- **Second the Motion to Hold an Executive Session**  
Roll call vote (requires a majority of the quorum)
- **Move to Executive Session**
- **Executive Session**
- **Motion to Adjourn the Executive Session**  
Roll call vote (requires a majority of the quorum)

## **Reconvene in Special Session**

## **Adjourn**

**FRANKLIN COUNTY AUTOMATIC DATA PROCESSING BOARD**

**Minutes of the June 06, 2022, Regular Board Meeting**

Date Approved: July 05, 2022

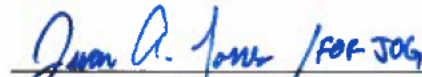

**Michael Stinziano**, Secretary, Administrator  
Franklin County Auditor

**Kim Brown**, Member  
Judge, Franklin County Court of Common Pleas

**Maryellen O'Shaughnessy**, Member  
Franklin County Clerk of Courts

**John O'Grady**, Member  
Franklin County Commissioner

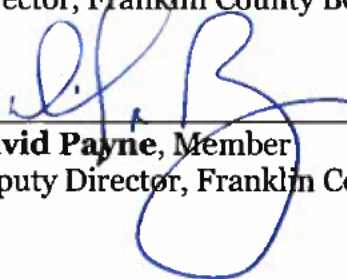

**Daniel J. O'Connor Jr.**, Member  
Franklin County Recorder

**Cheryl Brooks Sullivan**, Member  
Franklin County Treasurer

**Antone White**, Member  
Director, Franklin County Board of Elections

**David Payne**, Member  
Deputy Director, Franklin County Board of Elections

1     **BOARD MEMBERS:**

2     The Honorable Michael Stinziano, Franklin County  
3     Auditor, Secretary/Administrator, FCADPB

4     The Honorable Kim Brown, Member, Franklin County  
5     Court of Common Pleas

6     The Honorable Maryellen O'Shaughnessy, Member,  
7     Franklin County Clerk of Courts

8     Mr. David R. Payne, Member, Franklin County Board  
9     of Elections

10    Mr. Juan Torres, Delegate, Franklin County Board of  
11    Commissioners

12    Mr. C. Chris Cupples, Delegate, Franklin County  
13    Recorder

14    Mr. Dusten Kohlhorst, Delegate, Franklin County  
15    Treasurer

16    Ms. Erin M. Gibbons, Delegate, Franklin County  
17    Board of Elections

18     **ALSO PRESENT:**

19    Mr. Adam Frumkin, FCDC Chief Information Officer

20    Ms. Julie Lust, Chief Financial Officer

21    Mr. John Proffitt, Deputy Chief, Chief Technology  
22    Officer

23    Ms. Mary Ann Brooks, Executive Administrative  
24    Assistant

25    Ms. Tasha Hyler, Chief Operations and  
   Communications Officer

   Ms. Nikki Milburn, Chief Information Security  
   Officer

   Ms. Amy Hiers, Assistant Prosecuting Attorney,  
   Franklin County Prosecutor's Office

CALL TO ORDER

- - -

SECRETARY STINZIANO: Good morning everyone. I have on the official Data Center clock, which is the clock on the corner of my computer, that says it's 9:00 a.m., and so we will call the meeting to order of the June 6th, 2022 Automatic Data Processing Board meeting.

Please join me in the Pledge of Allegiance.

(Pledge of Allegiance.)

SECRETARY STINZIANO: Thank you everyone that is able to be joining us in attendance. We are obviously meeting in virtual Teams meeting for the remainder of the state fiscal cycle per the changes that the State General Assembly made. I do appreciate everybody making time.

Per our process and so we can have a proper record who is in attendance, please remember to unmute your microphones when called upon, and we will take a quick attendance.

1 I'm Franklin County Auditor Michael  
2 Stinziano.  
3 Court of Common Pleas.  
4 JUDGE BROWN: Judge Kim Brown.  
5 SECRETARY STINZIANO: Good morning,  
6 Judge.  
7 Clerk of Courts.  
8 CLERK O'SHAUGHNESSY: Maryellen  
9 O'Shaughnessy here. Good morning.  
10 SECRETARY STINZIANO: Good morning,  
11 Ma'am Clerk.  
12 Board of Commissioners.  
13 MR. TORRES: Juan Torres  
14 representing Board of Commissioners.  
15 SECRETARY STINZIANO: Good morning.  
16 Recorder's office.  
17 MR. CUPPLES: Chris Cupples. Good  
18 morning everybody.  
19 SECRETARY STINZIANO: Good morning.  
20 And the Board of Elections.  
21 DEPUTY DIRECTOR PAYNE: David Payne.  
22 MS. GIBBONS: And Erin Gibbons.  
23 SECRETARY STINZIANO: Thank you  
24 both.  
25 I will ask the Data Center to state

1 who is in attendance, starting with Mr. Frumkin.

2 MR. FRUMKIN: Good morning. Adam  
3 Frumkin, CIO, Data Center.

4 MS. HYLER: Good morning. Tasha  
5 Hyler, Chief Operating and Communications Officer  
6 for the Data Center.

7 MS. CRUIKSHANK: Kara Cruikshank,  
8 Business Services Manager.

9 MR. MICHAEL: Good morning. Conrad  
10 Michael, Director of PMO.

11 MS. FRANZ: Good morning. Kassy  
12 Franz, Director HR.

13 MS. BROOKS: Mary Ann Brooks,  
14 Executive Administrative Assistant.

15 MR. COLEMAN: Glen Coleman, Director  
16 Enterprise Solutions.

17 MS. LUST: Good morning. Julie  
18 Lust, Data Center CFO.

19 MS. MILBURN: Nikki Milburn, Chief  
20 Information Security Officer.

21 MR. PROFFITT: John Proffitt, Chief  
22 Technology Officer.

23 MS. PETTIFORD: Karen Pettiford,  
24 Project Manager.

25 MR. STALEY: David Staley, Team

1     Lead.

2                     SECRETARY STINZIANO: Adam, do you  
3     think we have anyone left or did we get them all?

4                     MR. FRUMKIN: We are good.

5                     SECRETARY STINZIANO: Thank you all.

6                     Do I have a representative from the  
7     prosecuting attorney's office?

8                     MS. HIERS: Good morning everyone.  
9     This is Amy Hiers. I'm here for Jeanine Hummer,  
10    who's on vacation this week.

11                    SECRETARY STINZIANO: Good morning,  
12    Amy.

13                    And then any public or media  
14    stakeholders who would like to announce themselves  
15    for the meeting record?

16                    MR. KOHLHORST: Auditor, the  
17    Treasurer's office is being represented by Dusten  
18    today, Dusten Kohlhorst.

19                    SECRETARY STINZIANO: Okay. Thank  
20    you. I apologize if I jumped over you.

21                    We will then move to Secretary  
22    comments. And I will turn it over to Mr. Frumkin.

23                    - - -

24                    SECRETARY COMMENTS

25                    - - -

1                   MR. FRUMKIN: Good morning. And  
2 welcome Data Board members and delegates. I hope  
3 that everyone is staying safe and doing well as we  
4 continue to serve the people and businesses of  
5 Franklin County. It's very hard to believe that we  
6 are already in June. This month, the month of  
7 June, has several holidays associated with it, one  
8 being Father's Day. This Father's Day is even more  
9 special since my daughter -- I will make it  
10 personal -- gave birth to my granddaughter Hadley a  
11 couple weeks ago. I would also like to wish all of  
12 the men and fathers Happy Father's Day.

13                   Today, June 6th, we also remember  
14 and recognize as D-Day. The country will be  
15 celebrating Juneteenth on Monday, June 20th.  
16 However, another holiday that I want to focus on  
17 today is International Women in Engineering Day,  
18 which is celebrated on June 23rd worldwide. It  
19 focuses on raising the profile of women who are  
20 changing the field of engineering one degree at a  
21 time. In 1876, Elizabeth Bragg became the first  
22 female recipient of an engineering degree when she  
23 got a bachelor's in civil engineering from the  
24 University of Berkeley. We also can't forget that  
25 it was a woman, Ada Lovelace, who collaborated with

1 Charles Babbage to design the first computer  
2 program in the world. The early programming  
3 language Ada was actually named after her.

4 Now from a project perspective:

5 We have 27 projects of varying size  
6 and complexity in flight, some of those that are  
7 notable:

8 The team has made tremendous  
9 progress as part of the Server Migration Project,  
10 also known as Project Hailstone. They successfully  
11 migrated applications of one-third of the  
12 unsupported servers and decommissioned them.  
13 There's another one-third of the servers in  
14 migration in progress. And they continue to work  
15 through other servers in collaboration with our  
16 partner agencies.

17 Several teams collaborated and  
18 support the body-worn camera project. Primary  
19 locations and the pilot group have been identified  
20 for a late July rollout based on the current  
21 schedule.

22 FCDC team collaborates and supports  
23 everything with the new jail implementation, and  
24 the activity is remaining on track for a late June  
25 completion date.

1           The team is working closely with the  
2 Auditor team for the MUNIS upgrade project. We  
3 gained access to the test environment early, and  
4 the team is in the validation process.

5           Some of the other significant  
6 projects in progress are:

7           The Commissioners DEI website  
8 project, the Auditor Domain migration project,  
9 Treasurer's FCTS application migration to a  
10 dedicated environment, and the RMS replacement with  
11 a Tyler Solution IAS project.

12           From a Security Team perspective:

13           The quarterly access certification  
14 for Q2 has been launched to all agencies.

15           The update to the Secure File  
16 Transfer solution was completed and will begin a  
17 rebuild of the environment in the coming month.  
18 This allows for an enhanced failover support.

19           Completed a two-day engagement with  
20 the Privileged Identity Management provider that  
21 entailed updating both the primary and secondary  
22 infrastructure and making some configuration  
23 changes.

24           We are also working to continue with  
25 the identity vendor on automated account creation

1 and disabling.

2 We are beginning the process of  
3 evaluating Secure Email Gateways to replace the  
4 existing solution. Proof of concepts will be  
5 conducted with decision to be made sometime in  
6 early Q4.

7 With that, I would like to ask Nikki  
8 Milburn to give a brief security update.

9 MS. MILBURN: Thanks, Adam.

10 This will be a little bit different  
11 than normal. What you kind of hear in the news,  
12 kind of explaining what something is, you will hear  
13 that identity is the new perimeter or zero trust.  
14 Try to help you understand what that means and how  
15 that kind of applies to the county. When it comes  
16 to identity is the new perimeter, so previously we  
17 had firewalls, we have built all of these walls  
18 around the kingdom, and you have to go through each  
19 of those, then you make it to your identity and  
20 doing your authentication to get in. That dynamic  
21 has changed as our environment has changed. You  
22 now have more cloud-hosted solutions that we are  
23 using, Internet facing; so that firewall is not in  
24 front of it. You don't have to come on network to  
25 be able to authenticate. So this is where identity

1 is now what's controlling it, allowing you in,  
2 whether it's on cloud, whether it's on prim, once  
3 you are inside of the network, where you go, that's  
4 kind of where identity is the new perimeter because  
5 it's everywhere. You don't have to come into the  
6 building, you are doing it from home. It could be  
7 a VPN, doesn't have to be a VPN.

8                   Zero trust goes hand-in-hand with  
9 this. What is happening is people are shifting,  
10 looking at more behavioral analytics, is this  
11 something you should have access to. I have asked  
12 this before. If not, why are you doing it now,  
13 exercising least privilege. So a lot of that  
14 behavior of the user comes into play. And it is  
15 checking that authentication all of the time. It's  
16 not just one time on the network, I can go anywhere  
17 I want. It's checking it repeatedly. Okay, you  
18 are now trying to access this server, we will ask  
19 you to re-authenticate again, Or you are trying to  
20 access this application, this seems odd, I will  
21 have you re-authenticate. Making sure MFA is  
22 kicking up in the right places, saying you know  
23 what, your identification looks really odd, I will  
24 have you do MFA just to ensure it's you and not  
25 compromise credentials coming in from somewhere

1 else around the world.

2 Those are kind of the concepts you  
3 will hear about in the news more frequently now as  
4 the dynamic has changed. And something we will be  
5 focusing on a lot now with cloud security, where we  
6 are at with it, how can we do it better. You will  
7 see that in the coming months as a trend,  
8 especially as we bring in new applications and new  
9 solutions. Identity will be huge and how to secure  
10 the cloud will be huge. So don't be surprised if  
11 you hear from me on those items, especially if you  
12 are bringing in a new application.

13 I know it's kind of a lot to unpack  
14 or discuss. If anybody has questions and want to  
15 talk about it more, I would gladly geek out with  
16 you about it for a minute.

17 Other than that, that's all I've  
18 got, Adam.

19 MR. FRUMKIN: Thank you, Nikki.

20 Barring any questions or comments, I  
21 will defer back to Auditor Stinziano. And wish to  
22 thank each of you for your support of the Data  
23 Center. Have a great month of June.

24 SECRETARY STINZIANO: Thank you.

25 Are there any questions or comments

1 from members of the board?

2 CLERK O'SHAUGHNESSY: Auditor  
3 Stinziano, I would like to clarify something that  
4 is unclear to me because I was not in the meeting.  
5 I understand that we were asked by the  
6 Administrative Judge to allow generic sign-ins on  
7 e-filing for interns. And I believe, Nikki, you  
8 were in that meeting. Can you clarify, because  
9 we -- I'm concerned about this practice because I  
10 believe that it opens us up to a crash basically,  
11 somebody coming in and shutting us down. So can  
12 you talk a little bit about that meeting, what you  
13 said? I understand that the Administrative Judge  
14 has required us to allow that for the prosecutor's  
15 office, as well as for the public defender's  
16 office. So can you talk a little bit about the  
17 security thing there?

18 And, honestly, I might need some  
19 backup to talk to the judge to say this is unsafe  
20 and we are not going to allow it.

21 MS. MILBURN: Absolutely.

22 During that meeting were kind of two  
23 different issues that were brought up that were  
24 originally thought to be tied together, and they  
25 actually are not. The one I was there to focus on

1 was the generic accounts for the prosecuting  
2 attorneys and public defenders. As interns come  
3 in, rather than create new accounts for them, they  
4 would have generic passwords and just hand the  
5 password off to the next person, that way they are  
6 able to perform their job they are doing.

7                   Is this high-risk? Yes, this is a  
8 very high-risk thing. We lose audibility, we lose  
9 traceability, non-refutation goes away if we use  
10 generic accounts in this matter. Do I understand  
11 it's more of an administrative overhead of having  
12 to request an account each time somebody comes in?  
13 Absolutely. That's why we are working on our side  
14 to put in more automation. It's much faster, it  
15 gets back to them quicker. Let's take a look at  
16 the application and do we actually need the access,  
17 what are they doing that they need an e-mail  
18 account.

19                   So, yes, it was in an advisory  
20 capacity that I was there. And it does open us up  
21 to risk because I lose all traceability if somebody  
22 actually does something. Or if somebody leaves  
23 under less than pleasant circumstances, that does  
24 still leave the opportunity for them to  
25 authenticate and log in. So, yes, it is definitely

1 a high-risk. And at the end of it, the discussion  
2 was we would come back to the table to discuss how  
3 can we enhance this process and make it better.

4 CLERK O'SHAUGHNESSY: Okay. So you  
5 recommend that we do not -- that we cease allowing  
6 that, correct?

7 MS. MILBURN: Absolutely. General  
8 security practice will always tell you that generic  
9 accounts are a bad idea. It is absolutely.  
10 Especially for an interactive log-in. You have  
11 generic accounts run an application, it's a service  
12 account, it just runs in the background, allows two  
13 systems to communicate. Absolutely fine. You  
14 don't want that tied to a person, but you also  
15 don't want interactive log-in, and leave it so it's  
16 running in the background. Any time there's a  
17 person logging in, you do not want a generic  
18 account. There are a lot of security mandates out  
19 there, various regulations that say you cannot do  
20 that because of the non-refutation of having an  
21 audit trace.

22 CLERK O'SHAUGHNESSY: We might put  
23 ourselves in jeopardy regarding our insurance if we  
24 do get hacked; isn't that correct?

25 MS. MILBURN: Yes.

1                   CLERK O'SHAUGHNESSY: In this case,  
2 I would ask Judge Kim Brown to talk to your  
3 Administrative Judge. I would ask Amy Hiers to  
4 talk to Ed Leonard, I believe was the person in the  
5 meeting for the prosecutor's office. And I don't  
6 know who represented the public defender's office,  
7 but we need to have a thorough discussion here.  
8 And I will ask my IT team to shut down that ability  
9 at this point. And I think that that is what you  
10 are recommending to me, correct?

11                   MS. MILBURN: Yes. That is  
12 defective bad practice.

13                   CLERK O'SHAUGHNESSY: Yeah, we are  
14 getting pushed into a corner here. And I want to  
15 make sure I'm absolutely transparent about all of  
16 these things. And we are going to shut that down  
17 unless we get a court order. And if we have a  
18 court order, we will have to have a further  
19 discussion regarding that process because I think  
20 it is unsafe.

21                   So thanks for the clarification.

22                   MR. FRUMKIN: Ma'am Clerk, I would  
23 also recommend, and I stand, as between myself,  
24 Nikki and Juan, who are responsible for the  
25 cybersecurity for the county, this does become an

1 item that will become a write-up within our, upon  
2 us trying to get our insurance. It also becomes --  
3 I believe it will become a state audit item as  
4 well, because we are not allowed to have those.  
5 And that's one of the things they look at from a  
6 state audit perspective, if we were making unsafe  
7 practices. So if it takes what it needs to do, I  
8 would be more than happy to speak directly with the  
9 judge or anyone about this practice. We do not  
10 recommend it nor do we stand behind it, and we will  
11 not do it.

12 CLERK O'SHAUGHNESSY: Thank you.  
13 Maybe we need to put some things in writing, some  
14 e-mails around to back us up for not allowing that  
15 practice anymore. I think there's just a lack of  
16 understanding about how unsafe it is.

17 And didn't Cuyahoga County just get  
18 hacked a few months ago?

19 MR. FRUMKIN: There have been a few  
20 other counties, yes.

21 CLERK O'SHAUGHNESSY: I think the  
22 judge said something to the effect, well, it's  
23 never happened before, has it.

24 MR. FRUMKIN: It's not a when. We  
25 are best to keep the when as far out as possible.

1 CLERK O'SHAUGHNESSY: Let's see what  
2 we can do to correct this situation. And I  
3 appreciate your help and support to make sure the  
4 judge fully understands the danger of doing this,  
5 of allowing us to do this, or mandating that we do  
6 this.

7 So thank you.

8 SECRETARY STINZIANO: Any other  
9 questions or comments from members of the board?

10 - - -

11 APPROVAL OF MINUTES

12 - - -

13 SECRETARY STINZIANO: Hearing none,  
14 next we will move to the approval of minutes for  
15 the May 2, 2022 Regular Board Meeting. Are there  
16 any amendments or corrections?

17 Hearing no further review, I would  
18 like to seek a motion for approval of the May 2nd  
19 board meeting minutes.

20 CLERK O'SHAUGHNESSY: I so move,  
21 Clerk O'Shaughnessy.

22 SECRETARY STINZIANO: Thank you.

23 It's been moved, is there a second?

24 DEPUTY DIRECTOR PAYNE: Second,  
25 David Payne.

1 SECRETARY STINZIANO: Thank you.

2 It's been moved and seconded. All

3 those in favor, please signify by voting aye.

4 Same sign for any opposition.

5 And any abstentions.

6 Thank you. The minutes are

7 approved.

8 (Vote taken; motion passed)

9 - - -

10 NEW BUSINESS

11 RESOLUTION NO. 22-052

12 - - -

13 SECRETARY STINZIANO: We will now

14 transition to New Business. First is Resolution

15 22-052, Franklin County Technical Equipment

16 Salvage.

17 MS. LUST: Good morning. Julie

18 Lust, Data Center.

19 Listed in this resolution is

20 equipment that's reached its end-of-life and the

21 Data Center recommends be disposed of.

22 Pending any questions, we request

23 your approval of this resolution.

24 SECRETARY STINZIANO: Thank you.

25 Are there any questions or comments?

1                   Hearing none, I would like to seek a  
2 motion for approval.

3                   CLERK O'SHAUGHNESSY: I so move,  
4 Clerk O'Shaughnessy.

5                   SECRETARY STINZIANO: Is there a  
6 second?

7                   JUDGE BROWN: Second, Judge Kim  
8 Brown.

9                   SECRETARY STINZIANO: Thank you.  
10                   It's been moved and seconded. All  
11 those in favor, please signify by voting aye.

12                   Same sign for any opposition.

13                   And any abstentions.

14                   Resolution is approved.

15                   (Vote taken; motion passed)

16                   - - -

17                   RESOLUTION NO. 22-053

18                   - - -

19                   SECRETARY STINZIANO: Next is  
20 Resolution 22-053, Franklin County Data Center,  
21 File Scanning in Support of Cybersecurity.

22                   MS. LUST: Good morning. Julie  
23 Lust, Data Center.

24                   This resolution is for the  
25 procurement and deployment of cybersecurity

1 software in support of the Data Center's third  
2 strategic initiative to implement how effective,  
3 modern, stable and secure technology in support of  
4 county services. The Data Center CISO, Nikki  
5 Milburn will explain more about this. I'm sorry, I  
6 can't say CISO. Our CISO, Nikki, will explain more  
7 about this, how about that.

8 MS. MILBURN: The intent for this  
9 solution is for those websites we file uploads for  
10 for them to be scanned by a third-party and  
11 deployed into a sandbox, look for any malware, any  
12 malicious links or anything else that could harm  
13 our environment. It takes it off of our network,  
14 deploys it in theirs where they can get all of the  
15 updated signatures, files, everything like that to  
16 do a proper scan on it and deploy it. If it is  
17 malicious, then it deploys it in their environment.  
18 So the goal here is to protect us from any file  
19 uploads that can occur.

20 As an added benefit, we can also put  
21 this on your laptop, very specific as to what we  
22 can put on your laptop. And we can control the  
23 file type to put it in. If we need to upload  
24 images of something, and you try to upload an Excel  
25 file, we can block that Excel file or CSP or

1 something like that. We would have that ability to  
2 do that. So that's what this solution is for. We  
3 have a couple websites we will start with. My  
4 approach is going to be risk focused. So it's  
5 primarily if it's something being uploaded that can  
6 be contentious or where the person doing the upload  
7 may have malintent. So that is my intent. So you  
8 won't see this going in front of every website  
9 because it does take time to deploy those, each one  
10 of those. There will be a risk-based approach  
11 moving forward based on URLs and working with  
12 agencies.

13 SECRETARY STINZIANO: Thank you both  
14 for the presentation.

15 Are there any questions or comments  
16 from the members of the board?

17 Hearing no further review, I would  
18 like to seek a motion for approval.

19 DEPUTY DIRECTOR PAYNE: Motion moved  
20 by David Payne.

21 CLERK O'SHAUGHNESSY: Seconded by  
22 O'Shaughnessy.

23 SECRETARY STINZIANO: Thank you  
24 both.

25 It's been moved and seconded. All

1 those in favor, please signify by voting aye.

2 Same sign for any opposition.

3 And any abstentions.

4 (Vote taken; motion passed)

5 - - -

6 RESOLUTION NO. 22-054

7 - - -

8 SECRETARY STINZIANO: Next, we will  
9 have Resolution 22-054, Franklin County Treasurer's  
10 Office, 2022 Baseline Procurement and Annual  
11 Renewal.

12 MR. KOHLHORST: Good morning. I'm  
13 Dusten Kohlhorst, the IT Director for the  
14 Treasurer's office.

15 This resolution will authorize the  
16 continuation of current 2022 baseline and annual  
17 renewals and procurements for the Franklin County  
18 Treasurer's Office. Procurements associated with  
19 new projects, technology or software will be  
20 presented under a separate resolution as needed.

21 If there are no questions, I ask for  
22 your approval of Resolution 22-054.

23 SECRETARY STINZIANO: Thank you for  
24 the presentation.

25 Are there any questions or comments?

1                   Hearing no further review, I would  
2 like to seek a motion for approval.

3                   MR. CUPPLES: So moved, Recorder's  
4 office.

5                   CLERK O'SHAUGHNESSY: Second,  
6 O'Shaughnessy.

7                   SECRETARY STINZIANO: It's been  
8 moved and seconded. All those in favor, please  
9 signify by voting aye.

10                   Same sign for any opposition.

11                   And any abstentions.

12                   MR. KOHLHORST: Treasurer's office  
13 abstains.

14                   SECRETARY STINZIANO: Thank you.  
15 Resolution is approved.

16                   (Vote taken; motion passed)

17                   - - -

18                   RESOLUTION NO. 22-055

19                   - - -

20                   SECRETARY STINZIANO: Next is  
21 Resolution 22-055, Franklin County Clerk of Court,  
22 Refresh Auto Title Computers.

23                   MR. BERRY: Good morning. My name  
24 is Jeff Berry, I'm the Assistant IT Director for  
25 the Clerk of Courts Maryellen O'Shaughnessy.

1                   We are here today to request funds  
2     for the upgrade to the current PCs for the Franklin  
3     County Auto Titles. They are all end-of-life; so  
4     we need to get those replaced as soon as possible.

5                   If there's no questions, I  
6     respectfully request you approve this resolution.

7                   SECRETARY STINZIANO: Thank you for  
8     the presentation.

9                   Are there any questions or comments  
10    from members of the board?

11                   Hearing none, I would seek a motion  
12    for approval.

13                   DEPUTY DIRECTOR PAYNE: Motion moved  
14    by David Payne.

15                   SECRETARY STINZIANO: Is there a  
16    second?

17                   MR. KOHLHORST: Treasurer's office  
18    second.

19                   SECRETARY STINZIANO: Thank you.

20                   It's been moved and seconded. All  
21    those in favor, please signify by voting aye.

22                   Same sign for any opposition.

23                   And any abstentions.

24                   CLERK O'SHAUGHNESSY: O'Shaughnessy  
25    abstains.

1 SECRETARY STINZIANO: Thank you.

2 Resolution is approved.

3 (Vote taken; motion passed)

4 - - -

5 RESOLUTION NO. 22-056

6 - - -

7 SECRETARY STINZIANO: Next is  
8 Resolution 22-056, Franklin County Animal Control  
9 Enforcement Device Replacement.

10 MS. PERSINGER: Good morning  
11 everyone. Thank you for having me this morning.

12 Today I seek approval for  
13 replacement of our law enforcement warden mobile  
14 devices. They currently share eight iPads that are  
15 approximately nine years old, they were purchased  
16 in 2014. With this effort, we will be able to  
17 provide each of our wardens with their own laptop  
18 that can be used in the courtroom, in the field, as  
19 well as in the office. And this replacement will  
20 ensure that they will be able to maintain and  
21 enhance their level of service that we expect to  
22 our citizens and community members. And this will  
23 also streamline our process to where they don't  
24 have to come back into the office to type notes and  
25 can do this in the field so everything is

1 accessible in realtime.

2 So without any questions, I seek  
3 your approval.

4 SECRETARY STINZIANO: Thank you,  
5 Director.

6 Are there any questions or comments?

7 Hearing no further review, I would  
8 like to seek a motion for approval.

9 CLERK O'SHAUGHNESSY: I so move,  
10 O'Shaughnessy.

11 MR. CUPPLES: Second, Recorder's  
12 office.

13 SECRETARY STINZIANO: Thank you.

14 It's been moved and seconded. All  
15 those in favor, please signify by voting aye.

16 Same sign for any opposition.

17 And any abstentions.

18 MR. TORRES: Board of Commissioners  
19 abstains.

20 (Vote taken; motion passed)

21 - - -

22 RESOLUTION NO. 22-057

23 - - -

24 SECRETARY STINZIANO: Next is  
25 Resolution 22-057, Franklin County Recorder's

1 Office, Procurement of Additional Archive Writer  
2 Hardware.

3 MR. CUPPLES: Good morning everyone.  
4 This is Chris Cupples from the Recorder's office,  
5 Chief of Staff.

6 Seeking your approval for about  
7 \$105,000 to purchase a new archive writer that  
8 prints images on film, microfilm. The one we have  
9 now is currently outdated and we have had a lot of  
10 maintenance issues. This is the best one and only  
11 one out there that serves our purposes, serves our  
12 needs.

13 Happy to answer any questions.  
14 Otherwise, I'm seeking your approval. Thank you.

15 SECRETARY STINZIANO: Thank you.

16 Are there any questions or comments?

17 Hearing no further review, I would  
18 like to seek a motion for approval.

19 CLERK O'SHAUGHNESSY: I so move,  
20 O'Shaughnessy.

21 SECRETARY STINZIANO: Is there a  
22 second?

23 MR. KOHLHORST: Second, Treasurer's  
24 office.

25 SECRETARY STINZIANO: It's been

1 moved and seconded. All those in favor, please  
2 signify by voting aye.

3 Same sign for any opposition.

4 And any abstentions.

5 MR. CUPPLES: Recorder's office  
6 abstains.

7 SECRETARY STINZIANO: Thank you.

8 Resolution is approved.

9 (Vote taken; motion passed)

10 - - -

11 RESOLUTION NO. 22-058

12 - - -

13 SECRETARY STINZIANO: Next is  
14 Resolution 22-058, Franklin County Recorder's  
15 Office Master Service Agreement.

16 MS. CRUIKSHANK: Good morning. Kara  
17 Cruikshank, Assistant Business Services Manager for  
18 the Data Center.

19 This resolution for the Master  
20 Service Agreement for the Franklin County  
21 Recorder's Office. The technology services that we  
22 provide to this partner is critical to their  
23 operations and residents. They have a great team  
24 and FCDC looks forward to continuing to grow this  
25 partnership. This agreement is on par with past

1 agreements.

2 If there's no questions, I would ask  
3 for your approval of Resolution 22-058.

4 SECRETARY STINZIANO: Thank you for  
5 the presentation.

6 Are there any questions or comments?

7 Hearing no further review, I would  
8 like to seek a motion for approval.

9 CLERK O'SHAUGHNESSY: I so move,  
10 O'Shaughnessy.

11 MR. KOHLHORST: Second, Treasurer's  
12 office.

13 SECRETARY STINZIANO: Thank you.

14 It's been moved and seconded. All  
15 those in favor, please signify by voting aye.

16 Same sign for any opposition.

17 And any abstentions.

18 MR. CUPPLES: Recorder's office  
19 abstains.

20 SECRETARY STINZIANO: Thank you.

21 Resolution is approved.

22 (Vote taken; motion passed)

23 - - -

24 RESOLUTION NO. 22-059

25 - - -

1 SECRETARY STINZIANO: Next is  
2 Resolution 22-059, Franklin County Guardianship  
3 Service Board Master Service Agreement.

4 MS. CRUIKSHANK: Today, I seek  
5 approval for a Master Service Agreement between  
6 Guardianship Service Board and the Franklin County  
7 Data Center. FCDC is working to build a strong  
8 relationship with their relatively new agency, and  
9 we are excited to continue to partner with them in  
10 the future. Compared to past agreements, there's  
11 no significant changes.

12 Pending any questions, I'm asking  
13 for your approval of Resolution 22-059.

14 SECRETARY STINZIANO: Thank you for  
15 the presentation.

16 Are there any questions or comments?

17 Hearing no further review, I would  
18 like to seek a motion for approval.

19 CLERK O'SHAUGHNESSY: I so move,  
20 O'Shaughnessy.

21 MR. KOHLHORST: Second, Treasurer's  
22 office.

23 SECRETARY STINZIANO: The  
24 Treasurer's office got in there quicker than the  
25 Recorder's office. It's been moved and seconded.

1 All those in favor, please signify by voting aye.

2 Same sign for any opposition.

3 And any abstentions.

4 Resolution is approved.

5 (Vote taken; motion passed)

6 - - -

7 RESOLUTION NO. 22-060

8 - - -

9 SECRETARY STINZIANO: Next is  
10 Resolution 22-060, Franklin County Board of  
11 Developmental Disabilities Master Service  
12 Agreement.

13 MS. CRUIKSHANK: This resolution is  
14 for a Master Service Agreement for the Franklin  
15 County Board of Developmental Disabilities. The  
16 technology services that we provide to this partner  
17 assists with their operations as they help and  
18 support many residents. This agreement is on par  
19 with past agreements.

20 If there's no questions, I ask for  
21 your approval of Resolution 22-060.

22 SECRETARY STINZIANO: Thank you for  
23 the presentation.

24 Are there any questions or comments?

25 Hearing no further review, I would

1 like to seek a motion for approval.

2 CLERK O'SHAUGHNESSY: I so move,  
3 O'Shaughnessy.

4 MR. CUPPLES: Second, Recorder's  
5 office.

6 SECRETARY STINZIANO: It's been  
7 moved and seconded. All those in favor, please  
8 signify by voting aye.

9 Same sign for any opposition.

10 And any abstentions.

11 Resolution is approved.

12 (Vote taken; motion passed)

13 - - -

14 RESOLUTION NO. 22-061

15 - - -

16 SECRETARY STINZIANO: Next is  
17 Resolution 22-061, Franklin County Coroner's Office  
18 Master Service Agreement.

19 MS. CRUIKSHANK: This resolution is  
20 for a Master Service Agreement for the Franklin  
21 County Coroner's Office. The technology services  
22 we provide to this partner are crucial to their  
23 operations and to the community in finding the  
24 cause and manner of deaths. The Franklin County  
25 Data Center is excited to continue to partner with

1 this agency for the future. There's no significant  
2 changes to this MSA.

3 Pending any questions, I ask for  
4 your approval of 22-061.

5 SECRETARY STINZIANO: Thank you for  
6 the presentation.

7 Are there any questions or comments?

8 Hearing no further review, I would  
9 like to seek a motion for approval.

10 CLERK O'SHAUGHNESSY: I so move,  
11 O'Shaughnessy.

12 MR. CUPPLES: Second, Recorder's  
13 office.

14 SECRETARY STINZIANO: Thank you for  
15 the second.

16 All those in favor, please signify  
17 by voting aye.

18 Same sign for any opposition.

19 And any abstentions.

20 Resolution is approved.

21 (Vote taken; motion passed)

22 - - -

23 RESOLUTION NO. 22-062

24 - - -

25 SECRETARY STINZIANO: Next is

1 Resolution 22-062, Franklin County 10th District  
2 Court of Appeals Master Service Agreement

3 MS. CRUIKSHANK: I am seeking  
4 approval for the Master Service Agreement between  
5 the 10th District Court of Appeals and Franklin  
6 County Data Center. FCDC has worked with this  
7 partner for many years, and has continued to grow  
8 this partnership. Compared to previous agreements,  
9 there's no significant changes.

10 Pending any questions, I ask for  
11 your approval of Resolution 22-062.

12 SECRETARY STINZIANO: Thank you for  
13 the presentation.

14 Are there any questions or comments?

15 Hearing no further review, I would  
16 like to seek a motion for approval.

17 CLERK O'SHAUGHNESSY: I so move,  
18 O'Shaughnessy.

19 MR. KOHLHORST: Second, Treasurer's  
20 office.

21 SECRETARY STINZIANO: Thank you.

22 It's been moved and seconded. All  
23 those in favor, please signify by voting aye.

24 Same sign for any opposition.

25 And any abstentions.

1                   Resolutions is approved.

2                   (Vote taken; motion passed)

3                   - - -

4                   RESOLUTION NO. 22-063

5                   - - -

6                   SECRETARY STINZIANO: Next is  
7 Resolution 22-063, Franklin County Auditor's Office  
8 Master Service Agreement.

9                   MS. CRUIKSHANK: This resolution is  
10 for the Master Service Agreement for the Franklin  
11 County Auditor's Office and the Data Center. The  
12 Data Center is proud to continue to support the  
13 Auditor's Office in their mission in supporting  
14 Franklin County residents. The Data Center looks  
15 forward to continuing our strong relationship in  
16 growing the technology needs of the Auditor's  
17 office. There are no significant changes to this  
18 MSA.

19                   Pending any questions, I ask for  
20 your approval of Resolution 22-063.

21                   SECRETARY STINZIANO: Thank you for  
22 your presentation.

23                   Are there any questions or comments  
24 from members of the board?

25                   Hearing no further review, I would

1 like to seek a motion for approval.

2 CLERK O'SHAUGHNESSY: I so move,  
3 O'Shaughnessy.

4 MR. KOHLHORST: Second, Treasurer's  
5 office.

6 SECRETARY STINZIANO: Thank you.

7 It's been moved and seconded. All  
8 those in favor, please signify by voting aye.

9 Same sign for any opposition.

10 And the Auditor is going to abstain.

11 Resolution is approved.

12 (Vote taken; motion passed)

13 - - -

14 RESOLUTION NOS. 22-064; 22-065; 22-066; 22-067;  
15 22-068; 22-069; 22-070; 22-071; 22-072; 22-073

16 - - -

17 SECRETARY STINZIANO: We will now  
18 move to the 10 personnel matters. I want to ask if  
19 anyone wants to move into executive session to  
20 discuss these personnel resolutions?

21 Hearing no objection, we will have  
22 Kassy present them all and then go back through for  
23 each vote.

24 MS. FRANZ: Good morning everyone.  
25 I will actually present the first eight, and

1 Mr. Frumkin will present the last two. I will  
2 start with the eight.

3 So the first resolution we are  
4 seeking approval for is Resolution 22-064. This is  
5 for a new hire, his name is Brian Yee. He's going  
6 to be joining our team as a Database Engineer 1.  
7 Really excited about this new hire. As you know,  
8 we have been single-threaded with Greg Chambers  
9 holding down the fort as our only DBE. This will  
10 allow more fluid action in that realm.

11 Next resolution we are seeking  
12 approval for is 22-065. This is for a backfill for  
13 a Project Manager 2. Her name is Alicen Maestas.  
14 She's currently a program manager at a start-up  
15 called Fulcrum. We're really excited about her  
16 expertise joining our team, documentation change  
17 and management really elevates the PMO team.

18 Next is Resolution 22-066. This is  
19 for promotion for Paula Dayhoff. She is currently  
20 on our security team. She's currently an Identity  
21 Access Manager 2. We are looking to promote her to  
22 an Enterprise Security Engineer 3. Paula is just a  
23 force to be reckoned with on our security team.  
24 She goes out and tries to achieve any  
25 certification, makes sure she's keeping up, and

1 Franklin County is as secure as it needs to be. We  
2 are excited to move Paula to this level.

3 Next resolution is 22-067. This is  
4 a promotion for Denise Roberts. She is currently  
5 an Enterprise Data Analyst 2. We are promoting --  
6 we are actually creating a new umbrella. We are  
7 actually calling it a Digital Platform umbrella,  
8 and that field of people will be under that. We  
9 are promoting her to a Digital Platform Engineer 3  
10 Team Lead. We are excited to see what they use for  
11 Power BI and the new fine tools they are currently  
12 using there.

13 Next is Resolution 22-068. This is  
14 a promotion for Aaron -- I am going to pronounce  
15 his last name wrong, I was practicing all day and  
16 last week with everyone -- I will say Szabo. I'm  
17 pretty sure that's wrong. Sorry, Aaron, if you are  
18 on the call. We are really excited to promote him  
19 to the UI/UX Designer 3 Team Lead. So Aaron is  
20 just a pleasure to work with. He's been with us  
21 for over two years now. We are excited for him to  
22 continue his career with us.

23 Next is Resolution 22-069. This is  
24 a promotion for Mr. Kevin Walters. He's currently  
25 the iSeries Team Lead. We are looking to promote

1 him to Enterprise Technology Manager. Without  
2 Kevin our iSeries team would be lost. His  
3 knowledge and his expertise is just something we  
4 are excited to keep. Him being a manager over  
5 Reggie and Joyce is really going to be a good  
6 addition to that team.

7                   The next resolution we are looking  
8 for your support on is Resolution 22-070. This is  
9 for a pay increase for Rob Linton. So Rob has been  
10 the Enterprise Support Manager for us now over a  
11 year. That team down there, the amount of kudos  
12 and great recommendation they did is just  
13 astronomical, and a lot of that is because of Rob  
14 and the support he gives that team. This is just  
15 getting him up to that level he deserves to be paid  
16 at this time.

17                   The next resolution is -- I think  
18 this is my final one, yes. I am going to ask for  
19 Resolution 22-071. This is for a pay increase for  
20 Eric Kheng. Eric is an Enterprise Infrastructure  
21 Engineer 1. He's been with the Data Center for  
22 25 years, and his reliability and just having him  
23 on the team is a pleasure. And this pay increase  
24 is just getting him up to the level he also  
25 deserves.

1                   So those are the resolutions that  
2                   I'm seeking your approval on at this time.

3                   Pending any questions, I'm turning  
4                   it back over to you, Mr. Stinziano.

5                   SECRETARY STINZIANO: You don't want  
6                   to have Adam do the other two?

7                   MS. FRANZ: Yes, go for it.

8                   MR. FRUMKIN: Resolution No. 22-072  
9                   is a personnel action for retirement. Resolution  
10                  for the Director of Enterprise Solutions, Glen  
11                  Coleman. Glen Coleman has worked for the Franklin  
12                  County Data Center for two and a half years and  
13                  held multiple positions, including Director of  
14                  Enterprise Solutions. And has had various roles  
15                  across the State of Ohio government, starting in  
16                  1991, beginning with the Ohio Department of Health  
17                  and ranging in various positions across the Ohio  
18                  Department of Administrative Services. Glen is  
19                  noted for his reliability, placing his team first,  
20                  removing roadblocks and allowing work to be  
21                  accomplished.

22                  Secondly, Resolution 22-073,  
23                  Retirement, Enterprise Asset Manager, Robert  
24                  Bisciotti. Rob has worked for the Franklin County  
25                  Data Center for a total of two and a half years,

1 and held two positions. The first, Enterprise  
2 Business Relations Manager 1, and most recently  
3 Enterprise Asset Manager 1. Rob's team members  
4 have acknowledged him as being reliable and willing  
5 to do whatever it takes to successfully complete  
6 the tasks at hand.

7 With that, I would pass this back to  
8 Auditor Stinziano and the Data Board Members, and  
9 thank you for allowing us to do these resolutions  
10 for retirement.

11 SECRETARY STINZIANO: Thank you both  
12 for the presentations.

13 We will begin with the first  
14 resolution, Resolution 22-064, New Hire, Enterprise  
15 Database Engineer 1. Are there any questions or  
16 comments?

17 Hearing none, I would like to seek a  
18 motion for approval.

19 CLERK O'SHAUGHNESSY: I so move,  
20 O'Shaughnessy.

21 MR. CUPPLES: Second, Recorder's  
22 office.

23 SECRETARY STINZIANO: It's been  
24 moved and seconded. All those in favor, please  
25 signify by voting aye.

1 Same sign for any opposition.

2 And any abstentions.

3 MR. TORRES: Board of Commissioners  
4 abstains.

5 SECRETARY STINZIANO: I apologize.  
6 Board of Commissioners abstains.

7 (Vote taken; motion passed)

8 SECRETARY STINZIANO: Next is  
9 Resolution 22-065, Backfill, Enterprise Project  
10 Manager 2. Are there any questions or comments?

11 Hearing none, I would like to seek a  
12 motion for approval.

13 CLERK O'SHAUGHNESSY: I so move.

14 MR. KOHLHORST: Second, Treasurer's  
15 office.

16 SECRETARY STINZIANO: It's been  
17 moved and seconded. All those in favor, please  
18 signify by voting aye.

19 Same sign for any opposition.

20 And any abstention.

21 Resolution is approved.

22 (Vote taken; motion passed)

23 SECRETARY STINZIANO: Next is  
24 personnel Resolution 22-066, Promotion, Enterprise  
25 Security Engineer 3. Are there any questions or

1       comments?

2                       Hearing none, I would like to seek a  
3       motion for approval.

4                       MR. CUPPLES:   So moved, Recorder's  
5       office.

6                       CLERK O'SHAUGHNESSY:   Second,  
7       O'Shaughnessy.

8                       SECRETARY STINZIANO:   It's been  
9       moved and seconded.   All those in favor, please  
10      signify by voting aye.

11                      Same sign for any opposition.

12                      And any abstentions.

13                      Resolution is approved.

14                      (Vote taken; motion passed)

15                      SECRETARY STINZIANO:   Next is  
16      personnel Resolution 22-067, Enterprise Digital  
17      Platform Engineer 3 Team Lead.   Are there any  
18      questions or comments?

19                      Hearing none, I would like to seek a  
20      motion for approval.

21                      CLERK O'SHAUGHNESSY:   I so move,  
22      O'Shaughnessy.

23                      MR. CUPPLES:   Second, Recorder's  
24      office.

25                      SECRETARY STINZIANO:   Thank you

1 both.

2 It's been moved and seconded. All  
3 those in favor, please signify by voting aye.

4 Same sign for any opposition.

5 And any abstentions.

6 Resolution is approved.

7 (Vote taken; motion passed)

8 SECRETARY STINZIANO: Next is  
9 Resolution 22-068, Promotion, Enterprise UI/UX  
10 Designer 3 Team Lead. Are there any questions or  
11 comments?

12 Hearing no further review, I would  
13 like to seek a motion for approval.

14 CLERK O'SHAUGHNESSY: I so move,  
15 O'Shaughnessy.

16 MR. KOHLHORST: Second, Treasurer's  
17 office.

18 SECRETARY STINZIANO: Thank you.

19 It's been moved and seconded. All  
20 those in favor, please signify by voting aye.

21 Same sign for any opposition.

22 And any abstentions.

23 Resolution is approved.

24 (Vote taken; motion passed)

25 SECRETARY STINZIANO: Next is

1 Resolution 22-069, Enterprise Technology Manager  
2 promotion. Are there any questions or comments?

3 Hearing no further review, I would  
4 like to seek a motion for approval.

5 MR. CUPPLES: I so move, Recorder's  
6 office.

7 CLERK O'SHAUGHNESSY: I second then.

8 SECRETARY STINZIANO: Thank you  
9 both.

10 It's been moved and seconded. All  
11 those in favor, please signify by voting aye.

12 Same sign for any opposition.

13 And any abstentions.

14 Resolution is approved.

15 (Vote taken; motion passed)

16 SECRETARY STINZIANO: Next is  
17 personnel Resolution 22-070, Enterprise Support  
18 Manager, pay increase. Are there any questions or  
19 comments?

20 Hearing none, I would like to seek a  
21 motion for approval.

22 CLERK O'SHAUGHNESSY: I so move,  
23 O'Shaughnessy.

24 MR. KOHLHORST: Second, Treasurer's  
25 office.

1 SECRETARY STINZIANO: Thank you.  
2 It's been moved and seconded. All those in favor,  
3 please signify by voting aye.

4 Same sign for any opposition.

5 And any abstentions.

6 Resolution is approved.

7 (Vote taken; motion passed)

8 SECRETARY STINZIANO: Next is  
9 personnel Resolution 22-071, pay increase,  
10 Enterprise Infrastructure Engineer 1. Are there  
11 any questions or comments?

12 Hearing no further review, I would  
13 like to seek a motion for approval.

14 CLERK O'SHAUGHNESSY: I so move,  
15 O'Shaughnessy.

16 MR. CUPPLES: Second, Recorder's  
17 office.

18 SECRETARY STINZIANO: It's been  
19 moved and seconded. All those in favor, please  
20 signify by voting aye.

21 Same sign for any opposition.

22 And any abstentions.

23 Resolution is approved.

24 (Vote taken; motion passed)

25 SECRETARY STINZIANO: Final two.

1 Next is Resolution 22-072, which is the retirement,  
2 Director Enterprise Solutions. Any comments?

3 MR. COLEMAN: I would like to  
4 comment, if I may.

5 SECRETARY STINZIANO: Sure.

6 MR. COLEMAN: Auditor Stinziano,  
7 Automatic Data Processing Board members, Data  
8 Center team, and county agency partners, I would  
9 like to thank you for the recognition of the  
10 32 years of public service I will soon complete.  
11 Let me say it has been an honor and privilege to  
12 serve with each of you during my time at the Data  
13 Center. And I hope to run into each of you  
14 somewhere along the way after my retirement.

15 Thank you, Auditor.

16 SECRETARY STINZIANO:  
17 Congratulations. And thank you for your time at  
18 the Data Center and your time in public service.

19 Any questions or comments from  
20 members of the board?

21 CLERK O'SHAUGHNESSY: Just  
22 congratulations.

23 MR. COLEMAN: Thank you.

24 SECRETARY STINZIANO: Hearing no  
25 further comments, I would like to seek a motion for

1 approval.

2 CLERK O'SHAUGHNESSY: I so move,  
3 O'Shaughnessy.

4 MR. KOHLHORST: Second, Treasurer's  
5 office.

6 SECRETARY STINZIANO: Thank you.

7 It's been moved and seconded. All  
8 those in favor, please signify by voting aye.

9 If anyone opposes, we will talk  
10 later.

11 MR. COLEMAN: I thought it would be  
12 one, Auditor, honestly. I thought one would speak  
13 up, but thankfully he didn't.

14 MR. TORRES: John, if we are allowed  
15 to not allow you to retire, I would. I was trying  
16 to look that up.

17 SECRETARY STINZIANO: Resolution is  
18 approved.

19 (Vote taken; motion passed)

20 SECRETARY STINZIANO: Next, 22-073,  
21 Retirement, Enterprise Asset Manager. Any  
22 questions or comments?

23 Hearing none, I would like to seek a  
24 motion for approval.

25 CLERK O'SHAUGHNESSY: I so move,

1 O'Shaughnessy. And congrats to Rob.

2 MR. CUPPLES: Second, Recorder's  
3 office.

4 SECRETARY STINZIANO: All those in  
5 favor, please signify by voting aye.

6 Same sign for any opposition.

7 And any abstentions.

8 Resolution is approved.

9 (Vote taken; motion passed)

10 SECRETARY STINZIANO: And echo the  
11 Clerk's comment of congratulations and best wishes.  
12 That concludes today's resolutions.

13 - - -

14 OTHER BUSINESS

15 - - -

16 SECRETARY STINZIANO: We will do our  
17 other business.

18 Anything from the Court of Common  
19 Pleas, Judge?

20 JUDGE BROWN: No. Thank you.

21 SECRETARY STINZIANO: Ma'am Clerk?

22 CLERK O'SHAUGHNESSY: We are good.

23 SECRETARY STINZIANO: Commissioner's  
24 office?

25 MR. TORRES: No. Thank you.

1 SECRETARY STINZIANO: Recorder's  
2 office?

3 MR. CUPPLES: Nope. Take care  
4 everyone. Have a good week.

5 SECRETARY STINZIANO: Treasurer's  
6 office?

7 MR. CUPPLES: Nothing at this time.  
8 Thank you.

9 SECRETARY STINZIANO: And the Board  
10 of Elections. We always have elections.

11 DEPUTY DIRECTOR PAYNE: We always  
12 have elections. We have one coming up on  
13 August 2nd for the Statehouse, State Senate and  
14 State Committee. So please vote.

15 SECRETARY STINZIANO: You don't want  
16 to pitch for poll workers too?

17 DEPUTY DIRECTOR PAYNE: Nothing  
18 worse than throwing a party and no one showing up.

19 MR. FRUMKIN: We need poll workers  
20 too, right, David?

21 DEPUTY DIRECTOR PAYNE: Yes, we need  
22 poll workers. Thank you, Adam.

23 SECRETARY STINZIANO: Hearing  
24 nothing further, we are adjourned.

25 Thanks everyone. And I hope you

1 will enjoy what is still a sunny week. Hope you  
2 cut your grass this weekend or you will do it later  
3 this week. Have a great week everyone.

4 - - -

5 Thereupon, the proceeding adjourned at  
6 approximately 9:45 a.m.

**WHEREAS**, in accordance with Ohio Revised Code Section 307.84, the Franklin County Automatic Data Processing Board may authorize, in writing, any County office to purchase, lease, operate, or contract for the use of any automatic or electronic data processing or record-keeping equipment, software, or service; and,

**WHEREAS**, the attached detail describes the purchase(s) required for the normal operation; and,

**WHEREAS**, the Data Center Chief Information Officer has reviewed the technical and security aspects of the procurement and made recommendations on the attached detail; and,

**WHEREAS**, the Automatic Data Processing Board has determined that it is in the best interest of the County to authorize these expenditures, contingent upon the Franklin County Board of Commissioners' approval, and,

**NOW, THEREFORE, BE IT RESOLVED** that the Franklin County Automatic Data Processing Board authorizes the technology procurement.

Franklin County Automatic Data Processing Board  
Information Technology Procurement Resolution  
Resolution #: 22-075  
Dated: 07/05/2022

---

Title	Tyler Technologies Service Contract Amendment
Agency	Franklin County Clerk of Courts
Amount	Total amount to be increased by \$2,785,110.00
Category	Technology Services

---

### **Business Justification**

The Second Amendment to the Services Contract, Software as a Service Agreement, ePayment Processing Agreement, and Iron Mountain Three-Party Escrow Agreement between the Board of Commissioners and Tyler Technologies, Inc. includes a number of updates to support the implementation of a new Court Case Management System for Franklin County Clerk of Courts, Franklin County Court of Common Pleas General Division, Franklin County Court of Common Pleas Division of Domestic Relations and Juvenile Branch, 10th District Court of Appeals for the State of Ohio, and the Franklin County Common Pleas Court Probate Division.

First, the amendment adds additional monies to the Services Contract to support custom development (some defined within the contract amendment) as well as create a process for defining and approving custom development should the need arise during implementation. Second, additional contract dollars and licensing have been added to the Service Contract and SaaS Agreement to support the Probate Court's marriage license operations. Also, the contract amendment moves the hosting from Microsoft Azure to the Amazon's AWS Cloud environment. Finally, language has been agreed upon to facilitate better communication regarding Go-Live events, acceptance of custom development, and more timely publishing of custom reports.

### **Description**

- \$2,543,960 will be added for additional custom development
- \$94,500 will be added for services related to the implementation of Tyler's Eagle marriage license software
- \$146,650 for additional SaaS Fees related to the County's use of Tyler's Eagle marriage license software

CMS UPGRADE**

**WHEREAS**, in accordance with Ohio Revised Code Section 307.84, the Franklin County Automatic Data Processing Board may authorize, in writing, any County office to purchase, lease, operate, or contract for the use of any automatic or electronic data processing or record-keeping equipment, software, or service; and,

**WHEREAS**, the attached detail describes the purchase(s) required for the normal operation; and,

**WHEREAS**, the Data Center Chief Information Officer has reviewed the technical and security aspects of the procurement and made recommendations on the attached detail; and,

**WHEREAS**, the Automatic Data Processing Board has determined that it is in the best interest of the County to authorize these expenditures, contingent upon the Franklin County Board of Commissioners' approval, and,

**NOW, THEREFORE, BE IT RESOLVED** that the Franklin County Automatic Data Processing Board authorizes the technology procurement.

Franklin County Automatic Data Processing Board  
Information Technology Procurement Resolution  
Resolution #: 22-076  
Dated: 07/05/2022

---

Title	CMS Upgrade
Agency	Franklin County Public Defender
Amount	\$178,250.00
Category	Software and Technology Services

---

### **Business Justification**

The Franklin County Public Defender's Office (PBDF) currently uses a Case Management System (CMS) to manage all information related to cases where the defendants are represented by PBDF staff. This includes case information, court proceedings, and evidence information, including a document imaging solution (DIF) that manages all electronic documents associated with each case. This solution and the associated database are hosted by FCDC's virtual environment, and PBDF IT staff are the administrators of the application.

Due to age and the need for additional functionality PBDF is seeking approval to upgrade to the newer CMS built by the vendor Mapsys for the Office of the Ohio Public Defender (OPD).

### **Description**

The CMS vendor, Mapsys, will migrate PBDF's current case data from their existing version of the CMS to their new cloud instance with the OPD.

### **Franklin County Data Center Recommendation**

Maintaining technology is important to the security and resiliency of our environment. FCDC recommends this resolution and is committed to partnering with PBDF throughout this project's lifecycle.

### **Fiscal Information**

**Funding Source:** PBDF will work with OMB to identify funding, which OPD will reimburse.

**2022 Master Service Agreement**

Between the:  
Franklin County Data Center  
and  
Franklin County Emergency Management and  
Homeland Security

---

## 1.0 Master Service Agreement Overview

---

This is a Master Service Agreement (MSA) between the Franklin County Data Center (FCDC) and Franklin County Emergency Management & Homeland Security (EMA). The purpose of this MSA is to identify the basic services and any agreed-upon specialized services to be provided by FCDC regarding information technology for EMA.

This MSA is in effect as of the date on which the Automatic Data Processing Board approves and signs the associated resolution and will remain in effect indefinitely. Either party can initiate modifications, changes, or termination of this agreement at any time.

---

## 2.0 Contact Information and Authorizations

## 2.3 Contact Groups

**Information Technology Contact (IT Contact):** E-mail and Everbridge communications from FCDC will go to the following list of people. Communications may include information on scheduled maintenance, outage alerts, general information, etc. IT contacts will always have the Partner Agency lead (elected official, chief of staff, director, etc.).

**Service Management (Service):** Individuals are granted entitlements to view Service Management ticket details. <https://helpdesk.franklincountyohio.gov>

**Procurement Requestors (Procurement):** Individuals who are authorized to submit procurement requests via the FCDC Procurement system: <https://link.franklincountyohio.gov>

**Security Access Authorization Contact (Security):** Individuals who are authorized to make user management requests via the FCDC Security Form: <https://securityrequest.co.franklin.oh.us>

**Billing Management (Invoices):** Individuals who are authorized to discuss invoices and make decisions for monthly IT resources and any hardware purchases

**Website Coordinators (Website):** Individuals authorized to make requests to FCDC regarding website content.

Name	E-Mail	IT Contact	Service	Procurement	Security	Billing	Website

## 4.0 Special Support Services

### 4.1 iVideo: Audio and video conferencing.

#### FCDC Responsibility:

- Maintains servers according to FCDC standards regarding OS and security patches.
- FCDC can assist with troubleshooting needs with EMA and the third-party vendor as needed.

#### EMA Responsibility:

- EMA is the primary user of the software and is considered the application owner.
- EMA is responsible for understanding expected performance and functionality.

#### Vendor Responsibility:

- Application support and maintenance.

## **4.2 Intellicloud: Document management software.**

### **FCDC Responsibility:**

- FCDC can assist with troubleshooting needs with EMA and the third-party vendor as needed.

### **EMA Responsibility:**

- EMA is the primary user of the software and is considered the application owner.
- EMA is responsible for understanding expected performance and functionality.

### **Vendor Responsibility:**

- Application support and maintenance.

## **4.3 Everbridge: Emergency communication platform.**

### **FCDC Responsibility:**

- FCDC can assist with troubleshooting user account needs with EMA and the third-party vendor as needed.
- FCDC can provide limited training to agency administrators on maintaining a user list.

### **EMA Responsibility:**

- EMA is the application owner.
  - All Franklin County agencies have access to create accounts within the Everbridge System. Each agency is expected to have organizational administrators that maintain and update that agency's contact list and users.
  - EMA provides any requested training for the platform.
- EMA is responsible for understanding expected performance and functionality.

### **Vendor Responsibility:**

- Application support and maintenance.
- Actual, analysis, and creation/new development as part of their contract

---

## **5.0 Budgeting and Service Charges**

---

### **5.1 IT Budgets**

FCDC works annually on behalf of the Franklin County Office of Management & Budget (OMB) to review and recommend Partner Agency IT Budgets. OMB requires Partner Agencies to use the Budget Formulation and Management (BFM) application to submit budgeting requests. OMB provides the primary support for BFM.

When reviewing IT budgets, FCDC looks for fiscal/support opportunities through shared or enterprise efforts, elimination of duplicate technologies, prospects for standardization, security risks, etc. FCDC expects Partner Agencies to provide detailed information (business need and justification) regarding their budget request. Detailed information assists in the review process. FCDC may still reach out to the partners to obtain more information to make recommendations to OMB. FCDC can assist Partner Agencies with IT Budget planning. Allowing FCDC to assist can produce benefits, such as efficient budget review by FCDC, backup support to OMB for IT budget requests, and a higher probability for IT plan approval by OMB.

**Typical Annual Budget Schedule:**

- **February – April:** Identify potential IT Plans and engage with FCDC and vendors to define the request and obtain cost information.
- **May:** Prepare Budget documentation
- **June:** Submit IT Budget Plan for FCDC Approval through BFM
- **July – October:** OMB review and budget hearings are scheduled
- **December:** OMB Budget Approval & Submission of Recurring Costs Budget to FCDC for a January Data Board approval

## **5.2 FCDC IT Procurement Policy**

The Data Center provides procurement governance for technology items on behalf of the Automatic Data Processing Board. Partner Agencies are required to submit all IT procurements to FCDC for a technical review, security review, and fiscal review to obtain approval for purchase. The FCDC Technology Procurement and Implementation Policy outlines the details of this process and what is included. If you need a copy of the policy or have questions, please discuss them with a Business Relationship Manager.

## **5.3 Chargeback allocations**

**5.3.1 Rates:** FCDC rates are calculated annually by utilizing a third-party accounting firm (DMG-MAXIMUS, Inc.) specializing in federal, state, and county rate studies. A current year rate sheet will be shared with the Partner Agency on or before the 15<sup>th</sup> of January.

**5.3.2 Billing:** FCDC bills on behalf of the Commissioners and at the direction of OMB. FCDC uses internal tracking tools to establish resource usage and FCDC staff labor every month. All services provided by FCDC for EMA will be invoiced monthly (on or about the 15<sup>th</sup> of each month). Full payment will be due no later than 30 days after receipt of invoices. EMA will pay 100% of costs to FCDC from their existing budget, and then EMA may apply for federal reimbursement at the current rate.

**Payments shall be by check or warrant, made payable to:**  
**FRANKLIN COUNTY DATA CENTER**  
373 S. High Street, 9<sup>th</sup> Floor  
Columbus, Ohio 43215-4599

**Invoices will be sent to:**  
**Franklin County Emergency Management & Homeland Security**  
**ATTENTION:** Gina Williams  
5300 Strawberry Farms Blvd.  
Columbus, Ohio 43230

**5.3.3 Billing questions or disputes can be directed as follows:**

#	Who	Phone	E-mail
1	Financial Services	N/A	fcdfinancialservices@franklincountyohio.gov
2	Enterprise Financial Services Director, Michelle Halsell	(614) 525-7392	mdhalsel@franklincountyohio.gov

## 6.0 Terms and Conditions

---

### 6.1 Normal Business Hours

FCDC defines normal business hours as Monday through Friday, between 8:00 AM EST and 5:00 PM EST. This excludes holidays, a county government shutdown, and weekends.

### 6.2 After hours and Emergencies

FCDC has staff on-call 24x7 and can be reached by the Help Desk phone number: (614) 525-3282. The on-call staff member will assess the issues and handle them based on their criticality and needs.

### 6.3 Requests

FCDC strives to be a good partner and provide exceptional service, and there are several entry points to access FCDC services. See below:

**Incidents:**

**E-mail:** [helpdesk@franklincountyohio.gov](mailto:helpdesk@franklincountyohio.gov)

**Phone:** (614) 525-3282 (DATA)

**Service Desk Portal:** <https://helpdesk.franklincountyohio.gov>

**General requests and questions:**

**E-mail:** [helpdesk@franklincountyohio.gov](mailto:helpdesk@franklincountyohio.gov)

**Phone:** (614) 525-3282 (DATA)

**Service Desk Portal:** <https://helpdesk.franklincountyohio.gov>

**Procurement System:** <https://link.franklincountyohio.gov>

*Note: The Data Center provides procurement governance for technology items on behalf of the Automatic Data Processing Board. Partners Agencies are required to submit all IT procurements to FCDC for a Technical Review, Security Review, and Fiscal Review to obtain approval for purchase. Please see FCDC's Technology Procurement and Implementation Policy or discuss it with a Business Relationship Manager for more information.*

#### **Projects and other work:**

**Enterprise Business Relationship Manager, Sheila Latham**

**E-mail:** sheila.latham@franklincountyohio.gov

6	Chief Information Officer, Adam Frumkin	(614) 525-3006	adam.frumkin@franklincountyohio.gov

#### **6.5 Service Prioritization**

FCDC follows a Service Prioritization Method by assessing the situation for specific criteria, identifying the corresponding priority, and acting accordingly. The Help Desk prioritizes issues/requests by urgency and impact to ensure appropriate response time. The FCDC prioritization outline is below:

Priority	Criteria	Response
<b>Priority 5 (LOWEST)</b> Standard Service Request	<ul style="list-style-type: none"> <li>• There is no negative impact on the business or services.</li> <li>• Standard, repeatable requests (e.g., user management)</li> <li>• Low effort maintenance or enhancement requests</li> <li>• A method for intaking larger requests that may turn into a project but require additional information and understanding</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Staff member will be assigned and contact the requestor as an acknowledgment of the request</li> <li>• FCDC will work with the requestor to establish an agreed service delivery schedule or next steps</li> </ul>
<b>Priority 4 (LOW)</b> Minimal or No Business Impact	<ul style="list-style-type: none"> <li>• Minimal impact to business or service</li> <li>• No production or individual end-user is affected</li> <li>• The business has an alternative approach until a fix/promotion can be established and/or can be deferred until an acceptable maintenance window can be established for resolution</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact the reporting user within a business day of ticket assignment</li> <li>• FCDC will attempt to resolve within 40 normal business hours</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 3 (MEDIUM)</b> Minor Business Impact	<ul style="list-style-type: none"> <li>• There is a degradation to a business service but not a work stoppage</li> <li>• The service component or procedure is NOT critical to customer business functions</li> <li>• The business has an alternative approach until resolved</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact the reporting user within four (4) normal business hours of ticket assignment</li> <li>• FCDC will attempt to resolve within 24 normal business hours</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 2 (HIGH)</b> Major Business Impact	<ul style="list-style-type: none"> <li>• A business service component, procedure, or application is unusable, or service degradation is very high</li> <li>• The business service is isolated to one (1) Partner Agency</li> <li>• Business service delivery is critically impacted</li> <li>• The business is unable to use an alternative approach to deliver service</li> <li>• A moderate security threat has been identified</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact the reporting user within one (1) hour of ticket assignment, during normal business hours</li> <li>• If after hours, FCDC technician will be dispatched and will strive to contact the reporting user within two (2) hours</li> <li>• FCDC will begin work immediately and continue until resolved</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 1 (HIGHEST)</b> Severe Business Impact	<ul style="list-style-type: none"> <li>• The entire Franklin County userbase or multiple Partner Agencies are experiencing loss to a production service</li> <li>• Foundational infrastructure component and/or a shared application outage (or imminent outage) with a critical impact on business services</li> <li>• Will cause a significant negative impact on Franklin County revenue</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact (any method) the reporting user within 30 minutes of ticket assignment, during normal business hours</li> <li>• If after hours, FCDC technician will be dispatched and will strive to contact the reporting user (any method) within one (1) hour</li> <li>• FCDC will begin work immediately and continue until resolved</li> </ul>

	<ul style="list-style-type: none"> <li>• A substantial security threat has been identified</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC will communicate with the reporting user consistently during normal business hours until resolved</li> <li>• If the Partner Agency is impacted by a Priority 1 incident but is not the reporting user, contact the Help Desk or BRM for an update</li> <li>• Business Services will issue an E-mail notification to all IT Contacts within one (1) business day</li> </ul>
--	---	--

The above classifications are guidelines first to enable FCDC staff to concentrate on the most critical problems. FCDC assignees may also change the priority as part of their evaluation and/or during the evolution of the work. Partner Agencies may also request a higher priority by contacting the Help Desk. Escalations will be evaluated and determined on a case-by-case basis. It is also important to note that if a Partner Agency has specific Business Services needs that require an alternate support model, it should be defined in this document; otherwise, FCDC will apply this model when evaluating submissions.

#### **6.6 Security Audit**

As written in the Franklin County FCDC Security Policy, FCDC has the right to audit, monitor, and secure all computing environments connected to the FCDN. This would also include any agency processes related to the security of the FCDN. By gaining access to agencies' computing environments and procedures as needed, the FCDC would ensure customers and stakeholders of a simple, stable, and secure environment. Also, this policy gives the FCDC the ability to identify components that are at risk, in addition to strengthening security and privacy controls. In collaboration with the agency, the FCDC will report to and assist the agency in mitigating any findings. If you need a copy of the policy or have questions, please discuss them with your Business Relationship Manager.

#### **6.7 MSA Infringement**

If either party identifies an infringement within the MSA processes, they shall disclose it to the other party as soon as possible. FCDC will then initiate an investigation to determine if updates to the MSA document will be necessary. If an expectation based on this document has not been met, FCDC will work with the Partner to determine a corrective path forward.

#### **6.8 Termination of the MSA**

This MSA shall remain in effect until terminated. Either party may terminate this MSA with a 180-day termination notification. Termination notifications from FCDC will go to all members on the IT Contact list. Termination notifications from EMA will go to the FCDC CIO and Enterprise Business Services Manager.

**FRANKLIN COUNTY, OHIO  
AUTOMATIC DATA PROCESSING BOARD**

**FRANKLIN COUNTY DATA CENTER  
TECHNOLOGY MASTER SERVICE AGREEMENT  
FRANKLIN COUNTY COMMUNITY BASED CORRECTIONAL FACILITY**

**WHEREAS**, in accordance with Ohio Revised Code Section 307.84, the Franklin County Automatic Data Processing Board may authorize, in writing, any County office to purchase, lease, operate, or contract for the use of any automatic or electronic data processing or record-keeping equipment, software, or service; and,

**WHEREAS**, Franklin County Data Center submits this Technology Master Service Agreement (MSA) to the Automatic Data Processing Board for approval; and,

**WHEREAS**, the Data Center Chief Information Officer recommends approval of this MSA.

**NOW, THEREFORE, BE IT RESOLVED** that the Franklin County Automatic Data Processing Board approves this MSA and authorizes the Data Center CIO to sign all associated documents.

# Information Technology

**2022 Master Service Agreement**

Between the:  
Franklin County Data Center  
and  
Franklin County Community  
Based Correctional Facility

---

## 1.0 Master Service Agreement Overview

---

This is a Master Service Agreement (MSA) between the Franklin County Data Center (FCDC) and the Franklin County Community Based Correctional Facility (CBCF). The purpose of this MSA is to identify the basic services and any agreed-upon specialized services to be provided by FCDC regarding information technology for CBCF.

This MSA is in effect as of the date on which the Automatic Data Processing Board approves and signs the associated resolution and will remain in effect indefinitely. Either party can initiate modifications, changes, or termination of this agreement at any time.

## 2.3 Contact Groups

**Information Technology Contact (IT Contact):** E-mail and Everbridge communications from FCDC will go to the following list of people. Communications may include information on scheduled maintenance, outage alerts, general information, etc. IT contacts will always have the Partner Agency lead (elected official, chief of staff, director, etc.).

**Service Management (Service):** Individuals are granted entitlements to view Service Management ticket details. <https://helpdesk.franklincountyohio.gov>

**Procurement Requestors (Procurement):** Individuals who are authorized to submit procurement requests via the FCDC Procurement system: <https://link.franklincountyohio.gov>

**Security Access Authorization Contact (Security):** Individuals who are authorized to make user management requests via the FCDC Security Form: <https://securityrequest.co.franklin.oh.us>

**Billing Management (Invoices):** Individuals who are authorized to discuss invoices and make decisions for monthly IT resources and any hardware purchases

**Website Coordinators (Website):** Individuals authorized to make requests to FCDC regarding website content.

Name	E-Mail	IT Contact	Service	Procurement	Security	Billing	Website

*Note: IT Contacts may work with their BRM to modify the individuals on any list at any point.*

### 3.0 Core Services

**Key:**

Partner = Partner utilizes this service and provides primary support

FCDC = FCDC provides primary support

Shared = Combination support between the Partner and FCDC

N/A = Does not currently utilize the service from FCDC

Vendor = Vendor provides service

Application Development and Enterprise Tools	Support	Notes
Graphic Design	<b>FCDC</b>	CBCF may request this service on an as needed basis.
Mobile Application Development	<b>N/A</b>	
Web Development and Content Management	<b>Shared</b>	CBCF utilizes the Kentico Content Management Platform: <a href="https://cbcf.franklincountyohio.gov/">https://cbcf.franklincountyohio.gov/</a>

Data Analytics	Support	Notes
Data / Process Analysis	<b>N/A</b>	
Reporting (Interactive/Operational)	<b>N/A</b>	

Engineering Services (IT for IT Departments)	Support	Notes
Partner Agency IT Staff access to support IT Services	<b>FCDC</b>	CBCF may request this service on an as needed basis.

Enterprise Offerings	Support	Notes
Adobe Licensing	<b>N/A</b>	
DocuSign	<b>N/A</b>	
Everbridge	<b>N/A</b>	
Geographic Information Systems (GIS)	<b>N/A</b>	
Intellivue Document Imaging Solution	<b>N/A</b>	
Microsoft 365	<b>FCDC</b>	CBCF obtains their Microsoft 365 licensing from FCDC.
AvePoint	<b>N/A</b>	

Dynamics	N/A	
SharePoint	N/A	
MUNIS	Shared	The Franklin County Auditor's Office is responsible for the application. FCDC collects MUNIS charges at the direction of the Board of Commissioners' OMB Office.
OnBase Information Platform	N/A	
Zoom	N/A	

Enterprise Support	Support	Notes
Centralized Help Desk and Call Center	FCDC	
Hardware Salvage	FCDC	
Remote and On-Site Support	FCDC	
User Device Management and Imaging	FCDC	

iSeries Administration and Development	Support	Notes
iSeries Application Development and Support	N/A	
iSeries Infrastructure Support	N/A	

Enterprise Infrastructure	Support	Notes
Data Backup Solutions	FCDC	
Data Storage	FCDC	
Hi-Availability (HA) Environment	FCDC	
Server Virtualization and Hosting	FCDC	
SQL Database	N/A	

Leadership and Strategy	Support	Notes
Disaster Recovery and Continuity Planning	N/A	
PFM and IT Coordination	Shared	
Strategic Technology Planning	N/A	
vCIO (Virtual CIO)	N/A	

Enterprise Network	Support	Notes
Communications & Collaboration	FCDC	
Internet, Firewall, and VPN Services	FCDC	
Wide Area Network (WAN) Connectivity	FCDC	
Wired Network Connectivity	FCDC	
Wireless (Wi-Fi) Network Connectivity	FCDC	

Procurement and Legal Contracts	Support	Notes
Assistance with Legal Contracts and RFPs	N/A	
IT Budget Planning	N/A	
IT Procurement Assistance	Shared	LINK: FCDC's Procurement system
Vendor and Licensing Management	N/A	

Security	Support	Notes

## 4.0 Special Support Services

---

### 4.1 CBCF Case Management System

#### FCDC Responsibility:

- FCDC can be called upon to work with MAPSYS as needed should MAPSYS have any questions during upgrades or other projects relating to the infrastructure environment involving CBCF case management system.

#### CBCF Responsibility:

- CBCF is the application's owner/user.
- CBCF maintains a MAPSYS contract for support services.

#### Vendor Responsibility:

- The vendor must operate within all FCDC policies.
- The vendor provides primary support for this service.

### 4.2 Johnson Controls: Camera and security system provider

#### FCDC Responsibility:

- FCDC can be called upon to work with the vendor as needed should they have questions relating to the infrastructure environment.
- Johnson Controls data is not stored with FCDC.

#### CBCF Responsibility:

- CBCF is the application's owner/user.
- CBCF maintains a vendor contract for support services.

#### Vendor Responsibility:

- The vendor must operate within all FCDC policies.
- The vendor provides primary support for this service.

### 4.3 Kronos: Timekeeping system

**FCDC Responsibility:**

- N/A

**CBCF Responsibility:**

- CBCF is the application's owner/user.
- CBCF maintains a contract for support services.

**Vendor Responsibility:**

- The vendor provides primary support for this service.

**4.4 Keefe Group:** A resident account system for secure deposits**FCDC Responsibility:**

- FCDC can be called upon to work with the vendor as needed should they have questions relating to the infrastructure environment (e.g., endpoint device installation).

**CBCF Responsibility:**

- CBCF is the application's owner/user.
- CBCF maintains a vendor contract for support services.

**Vendor Responsibility:**

- The vendor provides primary support for this service.

**4.5 LEADS (Law Enforcement Automated Data System):** A background check system operated by the Ohio Highway Patrol**FCDC Responsibility:**

- FCDC can be called upon to work with the vendor as needed (e.g., security breach).
- Note: This computer has its own VPN: Cisco.

**CBCF Responsibility:**

- CBCF is the application's owner/user.
- CBCF maintains a vendor contract for support services.

**Vendor Responsibility:**

- The vendor, NORIS, provides primary support for this service.

---

## 5.0 Budgeting and Service Charges

---

### 5.1 IT Budgets

CBCF is funded biennially by a grant through the Ohio Department of Rehabilitation and Correction (ODRC). When preparing to apply for funding each cycle, CBCF administration assesses the previous cycle's expenditures as well as projections for the upcoming cycle to determine the facilities budgetary needs. CBCF's IT budget is a part of this assessment and budgeting process. As these discussions are happening, CBCF will remain in communication with the agency's BRM regarding IT needs and budgetary considerations of these needs. These discussions will typically take place in May of each year and no later than early June at the end of the biennial cycle. It should be noted that any type of equipment, including the purchase of computers, laptops, etc. must be approved by the CBCF's funding source, ODRC.

### 5.2 FCDC IT Procurement Policy

The Data Center provides procurement governance for technology items on behalf of the Automatic Data Processing Board. Partner Agencies are required to submit all IT procurements to FCDC for a technical review, security review, and fiscal review to obtain approval for purchase. The FCDC Technology Procurement and Implementation Policy outlines the details of this process and what is included. If you need a copy of the policy or have questions, please discuss them with a Business Relationship Manager.

While CBCF is similar as a general fund agency and will not receive monthly invoices for FCDC services, there will be times when FCDC makes IT purchases on behalf of CBCF. Those costs will be charged back in the form of a monthly invoice which will require CBCF to open a purchase order for the FCDC.

**Payments shall be by check or warrant, made payable to:**

**FRANKLIN COUNTY DATA CENTER**

373 S. High Street, 9<sup>th</sup> Floor

Columbus, Ohio 43215-4599

**Invoices will be sent to:**

**ATTENTION: Eugene Foust**

**Franklin County Community Based Correctional Facility**

1743 Alum Creek Drive

Columbus, Ohio 43207

Email: [cbcf\\_fiscal@franklincountyohio.gov](mailto:cbcf_fiscal@franklincountyohio.gov)

### 5.3 Billing questions or disputes can be directed as follows:

## 6.0 Terms and Conditions

### 6.1 Normal Business Hours

FCDC defines normal business hours as Monday through Friday, between 8:00 AM EST and 5:00 PM EST. This excludes holidays, a county government shutdown, and weekends.

### 6.2 After hours and Emergencies

FCDC has staff on-call 24x7 and can be reached by the Help Desk phone number: (614) 525-3282. The on-call staff member will assess the issues and handle them based on their criticality and needs.

### 6.3 Requests

FCDC strives to be a good partner and provide exceptional service, and there are several entry points to access FCDC services. See below:

#### Incidents:

**E-mail:** [helpdesk@franklincountyohio.gov](mailto:helpdesk@franklincountyohio.gov)

**Phone:** (614) 525-3282 (DATA)

**Service Desk Portal:** <https://helpdesk.franklincountyohio.gov>

#### General requests and questions:

**E-mail:** [helpdesk@franklincountyohio.gov](mailto:helpdesk@franklincountyohio.gov)

**Phone:** (614) 525-3282 (DATA)

**Service Desk Portal:** <https://helpdesk.franklincountyohio.gov>

**Procurement System:** <https://link.franklincountyohio.gov>

*Note: The Data Center provides procurement governance for technology items on behalf of the Automatic Data Processing Board. Partners Agencies are required to submit all IT procurements to FCDC for a Technical Review, Security Review, and Fiscal Review to obtain approval for purchase. Please see FCDC's Technology Procurement and Implementation Policy or discuss it with a Business Relationship Manager for more information.*

#### Projects and other work:

**Enterprise Business Relationship Manager, Melissa Peoples:**

**E-mail:** [melissa.peoples@franklincountyohio.gov](mailto:melissa.peoples@franklincountyohio.gov)

Phone: (614) 525-5691

#### 6.4 Escalation/Expedition pathway

If a partner is not receiving service in a timely or proper manner, Partners may use the following escalation path until a resolution is achieved:

#### Incidents and General Requests:

#	Who	Phone	E-mail
1	Help Desk	(614) 525-3282	helpdesk@franklincountyohio.gov
2	Enterprise Support Manager, Robert Linton	(614) 525-5694	robert.linton@franklincountyohio.gov
3	Enterprise Business Relationship Manager, Melissa Peoples	(614) 525-5691	melissa.peoples@franklincountyohio.gov
4	Enterprise Business Services Manager, Kara Cruikshank	(614) 525-4728	kara.cruikshank@franklincountyohio.gov
5	Chief Operating and Communications Officer, Tasha Hyler	(614) 525-6798	tjhyler@franklincountyohio.gov
6	Chief Information Officer, Adam Frumkin	(614) 525-3006	adam.frumkin@franklincountyohio.gov

#### Procurement:

#	Who	Phone	E-mail
1	Financial Services	N/A	fcdcfinancialservices@franklincountyohio.gov
2	Director, Enterprise Financial Services, Michelle Halseil	(614) 525-7392	mdhalseil@franklincountyohio.gov
3	Enterprise Business Relationship Manager, Melissa Peoples	(614) 525-5691	melissa.peoples@franklincountyohio.gov
4	Enterprise Business Services Manager, Kara Cruikshank	(614) 525-4728	kara.cruikshank@franklincountyohio.gov
5	Chief Operating and Communications Officer, Tasha Hyler	(614) 525-6798	tjhyler@franklincountyohio.gov
6	Chief Financial Officer, Julie Lust	(614) 525-5826	jalust@franklincountyohio.gov
7	Chief Information Officer, Adam Frumkin	(614) 525-3006	adam.frumkin@franklincountyohio.gov

#### Approved Projects and other work:

#	Who	Phone	E-mail
1	Project Lead	N/A	
2	Enterprise Relationship Manager, Melissa Peoples	(614) 525-5691	melissa.peoples@franklincountyohio.gov
3	Enterprise Business Services Manager, Kara Cruikshank	(614) 525-4728	kara.cruikshank@franklincountyohio.gov
4	Chief Operating and Communications Officer, Tasha Hyler	(614) 525-6798	tjhyler@franklincountyohio.gov
5	Chief Information Officer, Adam Frumkin	(614) 525-3006	adam.frumkin@franklincountyohio.gov

#### 6.5 Service Prioritization

FCDC follows a Service Prioritization Method by assessing the situation for specific criteria, identifying the corresponding priority, and acting accordingly. The Help Desk prioritizes issues/requests by urgency and impact to ensure appropriate response time. The FCDC prioritization outline is below:

Priority	Criteria	Response
<b>Priority 5 (LOWEST)</b> Standard Service Request	<ul style="list-style-type: none"><li>• There is no negative impact on the business or services.</li><li>• Standard, repeatable requests (e.g., user management)</li><li>• Low effort maintenance or enhancement requests</li><li>• A method for intaking larger requests that may turn into a project but require additional information and understanding</li></ul>	<ul style="list-style-type: none"><li>• FCDC Staff member will be assigned and contact the requestor as an acknowledgment of the request</li><li>• FCDC will work with the requestor to establish an agreed service delivery schedule or next steps</li></ul>
<b>Priority 4 (LOW)</b> Minimal or No Business Impact	<ul style="list-style-type: none"><li>• Minimal impact to business or service</li><li>• No production or individual end-user is affected</li></ul>	<ul style="list-style-type: none"><li>• FCDC Technician will be assigned and will strive to contact the reporting</li></ul>

	<ul style="list-style-type: none"> <li>• The business has an alternative approach until a fix/promotion can be established and/or can be deferred until an acceptable maintenance window can be established for resolution</li> </ul>	<ul style="list-style-type: none"> <li>• user within a business day of ticket assignment</li> <li>• FCDC will attempt to resolve within 40 normal business hours</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 3 (MEDIUM)</b> Minor Business Impact	<ul style="list-style-type: none"> <li>• There is a degradation to a business service but not a work stoppage</li> <li>• The service component or procedure is NOT critical to customer business functions</li> <li>• The business has an alternative approach until resolved</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact the reporting user within four (4) normal business hours of ticket assignment</li> <li>• FCDC will attempt to resolve within 24 normal business hours</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 2 (HIGH)</b> Major Business Impact	<ul style="list-style-type: none"> <li>• A business service component, procedure, or application is unusable, or service degradation is very high</li> <li>• The business service is isolated to one (1) Partner Agency</li> <li>• Business service delivery is critically impacted</li> <li>• The business is unable to use an alternative approach to deliver service</li> <li>• A moderate security threat has been identified</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact the reporting user within one (1) hour of ticket assignment, during normal business hours</li> <li>• If after hours, FCDC technician will be dispatched and will strive to contact the reporting user within two (2) hours</li> <li>• FCDC will begin work immediately and continue until resolved</li> <li>• FCDC will communicate with the reporting user until resolved</li> </ul>
<b>Priority 1 (HIGHEST)</b> Severe Business Impact	<ul style="list-style-type: none"> <li>• The entire Franklin County userbase or multiple Partner Agencies are experiencing loss to a production service</li> <li>• Foundational infrastructure component and/or a shared application outage (or imminent outage) with a critical impact on business services</li> <li>• Will cause a significant negative impact on Franklin County revenue</li> <li>• A substantial security threat has been identified</li> </ul>	<ul style="list-style-type: none"> <li>• FCDC Technician will be assigned and will strive to contact (any method) the reporting user within 30 minutes of ticket assignment, during normal business hours</li> <li>• If after hours, FCDC technician will be dispatched and will strive to contact the reporting user (any method) within one (1) hour</li> <li>• FCDC will begin work immediately and continue until resolved</li> <li>• FCDC will communicate with the reporting user consistently during normal business hours until resolved</li> <li>• If the Partner Agency is impacted by a Priority 1 incident but is not the reporting user, contact the Help Desk or BRM for an update</li> <li>• Business Services will issue an E-mail notification to all IT Contacts within one (1) business day</li> </ul>

The above classifications are guidelines first to enable FCDC staff to concentrate on the most critical problems. FCDC assignees may also change the priority as part of their evaluation and/or during the evolution of the work. Partner Agencies may also request a higher priority by contacting the Help Desk. Escalations will be evaluated and determined on a case-by-case basis. It is also important to note that if a Partner Agency has specific Business Services needs that require an alternate support model, it should be defined in this document; otherwise, FCDC will apply this model when evaluating submissions.

#### **6.6 Security Audit**

As written in the Franklin County FCDC Security Policy, FCDC has the right to audit, monitor, and secure all computing environments connected to the FCDN. This would also include any agency processes related to the security of the FCDN. By gaining access to agencies' computing environments and procedures as needed, the FCDC would ensure customers and stakeholders of a simple, stable, and secure environment. Also, this policy gives the FCDC the ability to identify components that are at risk, in addition to strengthening security and privacy controls. In collaboration with the agency, the FCDC will report to and assist the agency in mitigating any findings. If you need a copy of the policy or have questions, please discuss them with your Business Relationship Manager.

#### **6.7 MSA Infringement**

If either party identifies an infringement within the MSA processes, they shall disclose it to the other party as soon as possible. FCDC will then initiate an investigation to determine if updates to the MSA document will be necessary. If an expectation based on this document has not been met, FCDC will work with the Partner to determine a corrective path forward.

#### **6.8 Termination of the MSA**

This MSA shall remain in effect until terminated. Either party may terminate this MSA with a 180-day termination notification. Termination notifications from FCDC will go to all members on the IT Contact list. Termination notifications from CBCF will go to the FCDC CIO and the Enterprise Business Services Manager.

**FRANKLIN COUNTY, OHIO  
AUTOMATIC DATA PROCESSING BOARD**

**EMPLOYMENT NOTABLES**

- In his previous role as the Enterprise Architect at M/I Homes, he administered change control processes for the organization. He also led the charge of phasing out MPLS architecture across 15 division offices, which resulted in an annual savings of \$100k.
- Prior to his EA role, he was the IT Infrastructure Engineer 3 for 3 years. In this position, he was an IT Operations/System Engineer focused on networking and project management.
- Before M/I Homes, he worked as a Strategic Sourcing Advisor at Cardinal Health.
- David came highly recommended by the CTO, John Proffitt. John hired David at M/I Homes and looks forward to bringing his IT expertise to FCDC and Franklin County.

**EDUCATION & OTHER CREDENTIALS**

- Bachelor of Science Degree in Management Information Sciences – Franklin University
- Ekahau ECSE Design Certification
- Cisco CCENT Certification

**RELEVANT WORK EXPERIENCE**

- SQL Server – 12 years
- SSIS – 12 years
- Backup/Recovery – 13 years
- Reporting/Documentation – 15 years
- Data Warehousing – 10 years
- Web Reporting – 5 years
- SSRS – 10 years

# David J. Francis

## Professional Experience

### Enterprise Architect | M/I Homes (1/2022 – Present)

- Administer change control process for the organization.
- Phased out MPLS architecture across 15 division offices in favor of a secondary DIA circuit for SD-WAN connectivity, resulting in an approximate annual savings of \$100,000.

### IT Infrastructure Engineer 3 | M/I Homes (8/2018 – 1/2022)

- IT operations / systems engineer generalist role with a focus on networking and project management.
- Networking skills/accomplishments:
  - Deployed and maintain a Meraki SD-WAN solution between 16 division offices and the corporate data center.
  - Day-to-day management of the Meraki WAN environment, including the above offices and over 200 sales models.
  - Maintain existing deployment of Cisco Catalyst switches and Meraki MR access points.
  - Deployed and maintain Palo Alto NGFWs, including platform updates, firewall rule creation/evaluation, and client access VPN.
  - Conducted over a dozen wireless site surveys with the Ekahau platform to ensure optimal wireless coverage.
- Project management skills/accomplishments:
  - Orchestrated the move of the corporate data center to a co-location facility to increase overall systems uptime/reliability with a reduced operating cost.
  - Planned and executed the move of three mid-sized division offices – one completely solo, due to COVID restrictions, including circuit provisioning, developing low voltage plans, and the physical move/reconfiguration of IT assets.
- Earned the Corporate Excellence Award for 2019.

### Strategic Sourcing Advisor | Cardinal Health (9/2016 – 8/2018)

- Negotiated IT hardware and telecommunications agreements to maximize savings efforts. Key accomplishments include:
  - Negotiated \$300K savings on the purchase of new network load balancers.
  - Negotiated \$500K savings on a multi-year support agreement for the company's contact center platform.
- Performed testing and drafted internal training materials for an SAP Ariba platform implementation.

### Associate Director of Infrastructure | Resource/Ammirati, an IBM Company (10/2015 – 8/2016)

- Corporate IT budget management
  - Tracked and forecasted YoY spend on software, services, and network circuits.
  - Worked with key stakeholders in the creative and technology departments to research both existing and emerging technologies, finding solutions that fall within the budget and maintain or enhance productivity.
  - Partnered with finance team to ensure monthly budget reconciliations are accurate.
  - Maintained existing and researched new vendor relationships to ensure efficient budget spend.
  - Reduced 2015 budget spend by 8% by renegotiating several contracts and license agreements.
- Directly managed a team of system administrators and provide mentorship to desktop support staff.
- Monitored WAN links, ensuring no links are oversubscribed and are diverse for redundancy.

# David J. Francis

## Senior System Administrator | Resource/Ammirati, an IBM Company (3/2010 – 10/2015)

- Principal in IT infrastructure portion of corporate headquarters move in 2015.
  - Worked with existing and new providers to ensure circuits were installed and tested in the new facility.
  - Managed a team of 12 associates and contractors to completely tear down one facility and reinstall in the new facility over the course of a weekend.
  - Executed the move with no downtime following the move for 350 associates.
- Moved remote office into new office space, including procurement and configuration of network infrastructure.
- Enhanced the company's BYOD initiative by implementing MaaS360 MDM solution.
- Improved IT asset management by developing processes for asset tracking.
- Implemented JAMF Casper Suite and Altiris Client Management Suite for systems administration in a mixed Mac/PC environment.

## Altiris Administrator | Cardinal Health (8/2008 – 3/2010)

- Maintained core Altiris infrastructure which managed 32,000+ global clients.
- Deployed Microsoft security patches within 10 days of release while maintaining 92%+ compliance levels.

## Desktop Support Technician | Century Insurance Group (3/2006 – 8/2008)

- Built and maintained the Altiris infrastructure for the company, providing remote system imaging, software deployment, and patching for 300+ associates across three offices.

## Distributed Technical Operations Technician | Target Corporation (5/2004 – 3/2006)

- Provided IT support in a 24-hour distribution center environment.
- Served on a cross-company committee to standardize and improve documented processes.

## Achievements & Certifications

- Ekahau ECSE Design Certification, June 2020.
- Cisco CCENT Certification, April 2013 (*expired*).
- Eagle Scout, April 1999.

## Education

### B.S., Management Information Sciences | Franklin University (10/2004 – 5/2007)

- Graduated with honors, Summa Cum Laude with 3.9 GPA.

## MICHAEL T. HAUDENSCHILD

### EXPERIENCE

Lakewood Local School District • **Director of Technology** • June 2018 – present

Lead a team of IT professionals managing all aspects of technology for 1,800 students and families and 265 staff across multiple buildings with over 3,000 endpoints. Establish operational practices focused on service delivery and customer service. Conduct analyses of existing services and develop plans for service stabilization, remediation, and long-term sustainability. Design and deliver technology services in alignment with the Strategic Plan.

#### **Management and operations:**

- Redesigned IT operations and processes around ITIL principals to improve customer experience
- Led customer support platform system selection (Zendesk) and adapted the platform to enable Incident and Request customer support workflows and end-user transparency
- Established documentation practices and management principles for IT knowledge base and customer-facing knowledge resources
- Established key metrics and benchmarks for speed and quality-of-response to meet customer expectations, and reported metrics and trends monthly to the Board of Education
- Built five-year capital budget in collaboration with Treasurer's office; set up lifecycle, asset management, and personnel onboarding/offboarding processes
- Established the organization's project management function, selected project management platform, and trained project participants; currently managing district-wide facility consolidation initiative

#### **Information technology:**

- Designed and implemented a multisite Windows Server infrastructure, including Active Directory and AD Trusts, DNS, DHCP, 802.1X/Network Policy Server/RADIUS, VPN, File and Print Sharing, and Group Policies focused on manageability, security, and a positive user experience
- Developed and maintained Windows 10 base image and implemented FOG for endpoint imaging
- Implemented Google Workspace for Education for applications and device/browser management; leveraged Google Secure LDAP for WPA2-Enterprise BYOD and Chromebook deployment
- Deployed Office 365 for all faculty, staff, and students; desktop applications for staff and online-only for students using Chromebooks
- Provided all Tier 3 support for Windows, Google Workspace, ChromeOS, Android, and iOS
- Completed three-year Cisco-based infrastructure remediation focused on high availability
- Designed and implemented multisite VMWare-based server infrastructure and script-driven backups to TrueNAS iSCSI targets for disaster recovery
- As a member of MS-ISAC, monitored and responded to cybersecurity issues with potential to impact the district's infrastructure, hosted systems, and business-critical processes
- Implemented RHEL and Ubuntu-based Linux servers for RADIUS and LAMP-based applications

**Team and personnel development:**

- Developed a staffing model, wrote position descriptions, and created new positions to meet demand
- Conducted staff evaluations and developed individualized development goals for employees
- Led monthly ticket reviews and lessons-learned meetings; established performance coaching
- Led Lean Six Sigma process improvement project for onboarding; surveys indicated 20-40% improvements in new-hire experience using technology

**Planning and policy management:**

- Member of Strategic Planning Steering Committee, driving improvements in organizational performance through realignment of programs and resources with community engagement
- Developed, reviewed, and revised policies in response to constantly evolving IT ecosystem
- Managed FERPA and SDPC-aligned reviews and agreements with third-party service providers; developed trusted vendor list and actively maintained relationships with vendors
- Led or participated as the IT decision-maker in the requirements gathering and system selection processes for customer support, transportation, maintenance/inventory, HVAC/controls, telephony, Web conferencing, learning management, content management, and video streaming

**Ohio State University • Associate Director of Learning Programs • January 2018 – June 2018**

Developed support processes, managed operations, and led cross-functional teams to implement security and privacy policies for the Digital Flagship initiative, distributing devices to 12,000 students across six campuses.

- Established training requirements and customer-facing processes for IT staff, and supervised ServiceNow enhancements to enable Digital Flagship support across campuses statewide
- Coordinated with IT to align security needs and configurations (iOS, Jamf, and proprietary on-campus platforms) with needs and expectations of users and the Digital Flagship program
- Worked directly with Apple sales and operations, OSU operations personnel, and local vendors to coordinate logistics for delivery, storage, and distribution of 48,000 units (iPads and accessories)

**Online Computer Library Center • Continuous Improvement Consultant • Jan. 2015 – Jan. 2018**

Reporting to the Vice President, Management & Customer Operations, worked with teams in the US, Europe, and Australia to identify and direct projects to improve IT service delivery, management operations, customer experience, and team performance in a non-profit serving libraries worldwide.

- Served as liaison between Management & Customer Operations at corporate headquarters and Operations and IT teams globally; provided ongoing change management and communication support during consolidation and standardization of functions, integrating global teams
- Led process management projects to improve escalation of bugs and feature requests through the Product and Global Technology divisions, reducing time to resolution and improving CX and integrating employee workflows across ServiceNow, JIRA, and the customer support platform
- Developed performance coaching training program for customer service managers and staff
- Led requirements-gathering and selection of Zendesk for CSD to unify global customer support
- Represented global Operations division in development of ServiceNow System Status Dashboard
- Provided regular input to the VP, Management & Customer operations on strategy and presentations

Online Computer Library Center • **Training Analyst** • August 2014 – January 2015

Responsible for designing and executing the customer support department's training strategy and managing the department's knowledgebase team. Built cross-functional training programs for new customer support analysts for all OCLC services. Worked across divisions and departments to establish relationships with product and technology SMEs to improve knowledge transfer into customer service department.

Longsight, Inc. • **Senior Education Product & Systems Manager** • December 2011 – April 2014

Managed a remote engineering team, designing and developing custom Web applications for colleges, universities, and non-profits. Designed and implemented Desktop-as-a-Service (DaaS) product based on Windows Server Datacenter, Virtual Computer Lab (VCL; open-source project), and VMWare vSphere. Conducted faculty professional development on applications and the Sakai LMS.

### OTHER POSITIONS HELD

- New Albany-Plain Local School District | **Educational Technologist** | August 2009–June 2011
- eTech Ohio Commission | **Technology Integration Strategist** | June 2007–August 2009
- Granville Village School District | **IT Coordinator** | Aug. 1998–July 2002 & July 2004–July 2007

Authorized to work in the US for any employer

## Work Experience

### Help Desk Analyst

Huntington Bank - Columbus, OH  
January 2021 to Present

Assist colleagues with hardware, software, and password issues

### Tier 2 Help Desk Technician

Netwrix - Dublin, OH  
January 2020 to April 2020

Prioritize and work tickets based on severity. Schedule meetings with clients to resolve open tickets. Run software in a sandbox environment to duplicate user issues and find resolutions. Open tickets to engineering for bugs.

### IT analyst

JPMorgan Chase - Columbus, OH  
September 2018 to December 2019

Corporate help desk providing phone support for internal ccb users.

### IT Analyst

The Gap - Grove City, OH  
October 2017 to August 2018

Corporate Helpdesk, assisting corporate users with software, hardware, and network issues.

### IT Analyst II

Community Choice Financial - Dublin, OH  
October 2016 to July 2017

- Answer helpdesk calls and Emails.
- Create, work, and close Helpdesk Tickets for every issue.
- Utilize Active Directory to manage user accounts and Group Policies.
- Working with stores to set up new equipment.
- Setting up local and network printers

### Field Organizer

NextGen Climate - Columbus, OH  
July 2016 to November 2016

- recruiting and organizing on four campus' in Columbus.
- call or text students who were interested, as a follow up to help them get involved.

- talked to the students about the importance of voting for the planet.
- Register Voters
- Make sure that all voters have a plan as to how they will make it to the pole, when they plan to go, and that they know where to go to cast a ballot.

### **Tier 3 Technical support Agent**

Time Warner Cable - Columbus, OH

January 2015 to June 2016

- Troubleshoot Cable, High Speed Data, and Digital Home Phone
- Research for larger scale root causes, such as outages of service, and report to the proper department
- Diagnose, troubleshoot and resolve a range of software, hardware and connectivity issues.
- Excel in asking probing questions and researching, analyzing and rectifying problems.
- Open, update, and close tickets related to service problems.
- Follow up with subscribers to ensure full functionality of equipment and services after making any changes to their account or equipment

### **Tier III Support Agent**

Teleperformance - Columbus, OH

March 2014 to December 2014

- Take escalations from Tier II
- Resolve issues that previous tiers were unable to resolve
- open tickets for possible engineering issues and escalate.
- follow up on tickets, both with engineering and with customer to assure the problems were fixed in a timely manner.

## **Education**

### **Associates In Networking**

Bradford School

June 2007

### **Diploma**

New Lexington High School

May 2005

## **Skills**

- Active Directory (4 years)
- Software Troubleshooting (7 years)
- Desktop Support (5 years)
- Network Support (7 years)
- Computer Networking (7 years)
- Technical Support (10+ years)
- Help Desk
- Operating Systems
